Do you have passion, commitment and an unfaltering desire to provide the best possible educational experiences for young people? If so, Shuttleworth College would be the ideal place for you.

Shuttleworth College is a true community comprehensive undergoing rapid transformation where your skills, expertise and inspiration will be developed, challenged and celebrated. You will hold a strong belief that excellent teaching and learning within a forward-thinking curriculum model will have a true impact. Supported by an ambitious leadership team with a clear vision and strong pastoral systems and a highly skilled head of faculty you will have the opportunity to develop into a truly outstanding practitioner.

I joined the College in September 2014 and have been amazed how far we have come over the past 3 years. This summer saw amazing results for our young people and we are set to improve even more this year. There is a real appetite for change and development here which means a new teacher would have ample opportunity to make their mark.

We have a committed, motivated and supportive staff and as a valued member of our team we can offer clear and shared values and expectations and a commitment to develop you professionally. This is a well-resourced, stimulating work environment with an experienced, highly committed and supportive leadership team. If you have the vision and drive for excellence then we would like to hear from you.

I look forward to receiving your application.

Yours sincerely,
