

Careers Information Advice and Guidance HT1

Year 9

Engaging with the future you

Name:

Form:

Think  **BIG**

CHASE
Dreams

SUCCEED
TOGETHER

We have high expectations of ourselves to reach our full potential.

We overcome challenges together.

We give our best every day and never stop aiming high.

We achieve our future purpose when we unite.

We are well-disciplined and respectful to our school community.

LO: To begin exploring your future goals
To connect the importance of your learning, effort and determination in Y9 to these future ambitions

Activity 1: Consider the PowerPoint "Year 9 choices linked to post 16 choices". Make any notes here. Write down any questions to ask?

Activity 2:

Look into your crystal ball. You are looking at yourself aged 25.

You are at work.

Think, pair, share. Now write answers that are personal to you.

<p>Describe your workplace. <i>Inside? Outside?</i> <i>lots of people?</i> <i>Desk? Special equipment? etc.</i></p>	<p>.....</p> <p>.....</p> <p>.....</p>
<p>What are you wearing?</p>	<p>.....</p> <p>.....</p>
<p>Where are you going to eat lunch? How did you travel to work?</p>	<p>.....</p> <p>.....</p>
<p>Are you in Lancashire? Another part of England? Abroad?</p>	<p>.....</p> <p>.....</p>
<p>What are you working on right now?</p>	<p>.....</p> <p>.....</p> <p>.....</p>
<p>Are you happy in your work? Why?</p>	<p>.....</p> <p>.....</p>
<p>What's your job title?</p>	<p>.....</p>

Activities 3 & 4:

I hope you took activity 2 seriously? I hope you were able to 'think big' and 'chase dreams' by being ambitious and focused. Time to 'succeed together' by planning your post 16 choices and working with our Further Education College staff.

Careers Fair. Decide what information you need to plan for your future. Tick the questions below that would be useful.
Now ask your **top 3** and **listen** to their answers. Make notes.
Be confident and ask for more information if important.

I think I want to be a, working in

- Are there qualifications linked to this?
- Do I need A levels for this?
- Is there a BTEC course or apprenticeship linked to this?
- Would A levels or vocational be better?
- What level of BTEC should I aim for?
- Does your college have work experience links for this?
- Do you have good facilities for this?

By the way, these are TERRIBLE questions. Do NOT ask them!

- ✗ What do you think I should do?
- ✗ What can I have for lunch?
- ✗ Do I have to bring a pen?
