

# Knowledge Organiser: Year 9 'Streetwise'

## Shoe anatomy

Berlin-based Filipino artist **Kermit Tesoro** has designed for Lady Gaga and seen his avant-garde shoes-as-art shown in galleries and acquired by international museums.

<b>shoemaker</b>	someone who makes shoes and other footwear as a profession
<b>cordwainer</b>	someone who makes new shoes from new leather
<b>cobbler</b>	a person whose job is mending shoes
<b>couture</b>	any fashion piece that is handmade and one-of-a-kind
<b>avant-garde</b>	new and experimental ideas and methods in art, music, or literature

Iris van Herpen

Iris van Herpen is a Dutch fashion designer known for fusing technology with traditional haute couture craftsmanship.

Alexander McQueen

**Lee Alexander McQueen CBE** was a British fashion designer and couturier. He was one of the most celebrated fashion designers of his generation, known for his highly original designs that combined artistry with exceptional technical ability.

<b>ceramics</b>	clay products made permanent by heat
<b>slab building</b>	a method of creating three-dimensional forms in clay using manipulated slabs
<b>slip</b>	liquified clay, in which there is no fixed ratio of water and clay.
<b>relief</b>	a method of moulding or carving when a design stands out from the surface
<b>ceramic glaze</b>	a vitreous liquid applied then fused onto clay with heat to create an impervious surface. Glaze can serve to colour, decorate or waterproof an item.
<b>impervious</b>	doesn't allow fluid to pass through
<b>vitreous</b>	like glass in appearance or physical properties

## HOW TO JOIN CLAY

- 1 **SCORE**
- 2 **SLIP**
- 3 **STICK**
- 4 **SMOOTH**

**Chris Campbell** is an American artist who mixes a lifelong passion for sweets and desserts with a love of shoes and style. From concept to the final product, he takes a completely hands-on approach with every pair of shoes to make them as sweet and unique as possible.
