

22nd March 2021

Dear Families,

As part of the covid monitoring Ofsted are doing, we will be having a one day remote monitoring visit tomorrow.

If you are a registered parent or carer of a pupil at the school, you can tell Ofsted your views about the school by completing Ofsted's online survey, Ofsted Parent View, at: www.parentview.ofsted.gov.uk.

Ofsted Parent View asks for your opinion on some aspects of your child's school, including the progress made by your child, the quality of teaching, how the school deals with bullying and poor behaviour. It also provides a free-text box for you to make additional comments, if you wish.

To register your views, you will need to provide your email address, which will be held securely. It will not be used for any purpose other than providing access to the online survey. Neither schools nor Ofsted will have access to any email addresses.

Please complete the online survey as soon as possible, ideally by 11am tomorrow, as this will give the inspection team more time to consider your views.

If you would like to give feedback directly for me to share, please email me rengland@shuttleworth.lancs.sch.uk.

The monitoring visit does not carry or change an Ofsted grade, it is simply a way of seeing how schools are doing in these exceptional circumstances and understanding how teaching has adapted and evolved. We will receive a letter in due course after tomorrow which I will share with you all as soon as I have it.

Many thanks,

Mrs Ruth England
Headteacher
