

# Next up:

**3.1**  
**Band skills**

## Lesson 6 - Composing your own variation

Working in small groups you will create a piece of music in a genre of your choice to clearly illustrate either Binary, Ternary or Rondo form

## Lesson 5 - Rondo Form

You will explore what Rondo Form is by singing and performing 'The Rondo Rap' & 'The Pentatonic Rondo' with the whole class

## Lesson 4 - Ternary Form

You will explore what Ternary Form is and revise ways of achieving musical contrast between sections

## Lesson 3 - Binary Form pt. 2

You will explore Binary Form further by performing a three part piece that is in Binary Form and then create your own three part Binary Form composition

## Lesson 2 - Binary Form

You will explore what Binary Form is and then perform and create your own contrasting section of music

## Lesson 1 - Form & Structure

You will be introduced to Form and Structure in music and learn about question and answer phrases
