Dear Parent/ Carer

Invitation to GCSE Preparation Evening – Thursday 15th October, 4-6pm

We are pleased to invite you and your child to our upcoming GCSE Preparation Evening, which will be held on Thursday 15th October at 4pm in school. The event is open to all students currently in Years 10 and 11, with mock exams and summative assessments approaching.

This informative event is designed to support both students and parents as they progress through the important journey in Years 10 and 11. During the evening, we will provide:

- An overview of the GCSE curriculum and expectations across subjects
- Insights into potential pathways beyond secondary school, including further education, apprenticeships, and career options. We will have some guests from our local colleges in attendance.
- Practical guidance on how to effectively prepare for exams, including dealing with the pressures and worries that exams bring.
- An opportunity for parents and students to explore and try out proven study strategies together.

We believe that strong collaboration between school and home is key to student success, and this evening will offer valuable tools and information to help your child thrive during their GCSE years.
