Written for children

Sentence Structures

Simple - contains one **main clause**.

main clause = contains one main verb and makes sense on it's own.

The forest was magical.

Compound - contains two **main clauses** joined together with a **conjunction** (e.g. and).

The forest was magical and the lake was full of secrets.

Complex - contains a **main clause** and a **subordinate clause**.

subordinate clause = doesn't make sense on it's own

During the night, the forest came alive.

Complex-compound - contains a **main clause**, a **subordinate clause** and another **main clause** that is joined with a **conjunction**.

The forest was magical and the lake was full of secrets, waiting to be discovered.
