Big Idea: Narratives shape our future

What are we learning?

In this topic, we'll explore the 'big idea' through studying a range of ancient myths and legends. We'll focus on Ancient Greek culture to develop our understanding of the context in which myths were created. We will explore different myths and think about how these narratives have shaped language and literature throughout the years. We'll also develop our writing skills through exploring sentence types, word choice, paragraphing and language techniques.
