Workshop for Teachers (CPD--Continuing Professional Development)

Approaches to Teaching Poetry: Engaging Students

https://youtu.be/5Xu_Hxjzpi8

This video suggests a variety of ways for secondary school teachers to encourage students to engage with poetry, from discussing what poetry is (and isn't), to studying how poetry engages with other art forms and using other art forms to explore poetry, to discovering some of the most vital and cutting-edge places where poetry is operating in society today, to finding ways to get students invested in school curriculum poetry written by people they do not relate to on subjects that do not interest them.

Please email us with feedback on the workshops (Is the level right for your students? etc.) and with requests for workshops on other materials.
