

Learning Journey: HT2 Year 8 Dystopian Literature (writing)

Big Idea: Description is transportation

What are we learning?

This term we will be continuing to explore dystopian literature and continue to read *Legend* by Marie Lu. This is an exciting type of literature that helps us learn more about ourselves and our world through opening our eyes to the consequences of our actions as a society. We will be using all our knowledge of the genre from the reading unit as well as applying all of our writing skills that we developed when we studied myths and legends last year.

Dystopian literature gives you an opportunity to write about something you really care about - What will you teach us about the world?
