

Y7 HT4 Form and Structure

Big Idea: How do with structure a piece of music?

This unit begins by establishing what is “Form and Structure” in music and why Form and Structure is important. Through performing, composing, improvising and listening and appraising, pupils then explore four different musical structures: Question and Answer Phrases, Binary Form, Ternary Form and Rondo Form.

Music used -

What do I need to understand for this topic?

You will need to remember the elements of music we looked at in HT1 and some pitch and rhythm notation

How will I know how to complete a successful performance?

You will create a piece that successfully shows you understand structure within music

How will I practice?

You will practice by creating other smaller pieces in different structures and exploring contrast through various practical activities

How will I be assessed?

you will be assessed on the structure piece you produce in lessons 5 and

6
