

Dear Parents and Carers,

I am writing to outline the revision sessions that will be available for Year 11 students during the May half term break.

As usual, all sessions will begin at 9:30am. Students should arrive in good time and register with their teacher at reception from 9:15am onwards. Please note that students arriving after 9:30am may not be able to enter the building. Students should bring snacks and drinks with them, as once they have entered the school site they will not be permitted to leave until the end of their session. At the conclusion of each session, students must sign out with their teacher at reception before leaving the building.

Our Year 11 students have made an excellent start to their GCSE examinations, and we hope to see this continue after half term through strong attendance and commitment to revision sessions. A reminder that students will continue to follow the countdown calendar until the end of the examination period. This means that, unless they are scheduled to be in an examination, students will finish school earlier at 2:00pm each day.

Please find the revision timetable below:
