

16th April 2021

Dear Parent/Carer,

I hope that you are well and had a lovely Easter. It was fantastic to see some of our new Shuttleworth family completing transition challenges over the break; please keep checking our website and sending completed challenges and photos to transition@shuttleworth.lancs.sch.uk

Thank you to families who have returned their completed documents. If you haven't as yet, please complete and return the admissions pack plus medical form in the stamped addressed envelope we enclosed in our previous letter. If you would prefer to complete these documents electronically, you can do so via the school website at <https://www.shuttleworthcollege.org/information/admissions-form/>. In the meantime if you have any questions or you have misplaced the documents please contact my PA Eleanor Atkinson on 01282 682300, or email transition@shuttleworth.lancs.sch.uk

As mentioned in our initial letter, we are hoping to run a transition summer school in July. Given that some students do not break up from primary school until the week after us we are looking at running two summer school options: Wed 21st- Fri 23rd July or Mon 26th- Wed 28th July. The days will run from 9.30am-3.30pm. Our focus will be *Think big, chase dreams, succeed together* – our school motto. The three days will focus on inspiring and enthusing our new students through a variety of activities with our school staff and some exciting guest speakers. For students with additional needs we will offer the opportunity to attend for both weeks, with one focused more on support ahead of September.

Please can you complete the brief electronic questionnaire via the school website at: <https://www.shuttleworthcollege.org/welcome/summer-school/> to express interest and indicate dates. If you have already expressed an interest please complete this second questionnaire if you have a preferred week. Note that numbers will have to be capped and we may ask families to swap weeks to ensure group sizes are small.

Please feel free to contact me directly with any questions or queries.

Yours sincerely,

Miss Rebecca Roach
Senior Assistant Headteacher & Head of English, Drama & Media Studies
