COLLEGE

# NEWSLETTER

## HEADTEACHER MESSAGE

Dear Families,

As we reach the end of our first half-term, I want to begin by saying a huge thank you and well done to everyone in our school community. We introduced a number of significant changes in September, from our new one-week timetable and mobile phone arrangements to changes at break and lunch and our behaviour systems. I have been incredibly proud of how positively our students and staff have embraced these changes. School feels purposeful and positive, and I am very grateful to our families for their continued support.

Alongside all of this change, it has been an extremely busy and successful half-term. This newsletter really highlights just how much has been happening at Shuttleworth. Our students have taken part in university and careers experiences, Work Experience preparation, STEM activities, Space Week, the Lancashire Book of the Year, sexual health and wellbeing sessions, student leadership and fundraising. We have also seen some fantastic sporting successes, including achievements in football and cross country, as well as individual students representing the school at county level.

I am particularly proud of the way our students continue to contribute to the wider community. From our prefect team raising money for Pendleside Hospice to the student-led non-uniform day supporting Downtown Community Grocery, there have been some wonderful examples of our young people showing initiative, kindness and leadership.

Thank you to our students for showing up, being kind and working hard and to our staff for everything they have done to make this half-term such a success, and to our families for working alongside us.

I hope everyone has a well-earned and enjoyable half-term break. I look forward to welcoming our students back refreshed and ready for another busy half-term on Monday 2<sup>nd</sup> November.

*K. Lightfoot*

# IMPORTANT INFORMATION

## A REMINDER ABOUT ROAD SAFETY

To help keep all our students safe at the start and end of the school day, we politely ask parents and carers to follow road safety regulations when collecting children.

Please avoid parking on yellow lines or across residents' driveways on the main road. Your cooperation makes a significant difference to the safety and respect of our local community.

## VISITING SCHOOL

We kindly remind parents and carers that visits to school should only be made **by appointment**. Staff are often teaching, supervising students or engaged in meetings, and it is not always possible for someone to meet with you unexpectedly. To ensure you receive the support and time you need, please contact school in advance to arrange an appointment.

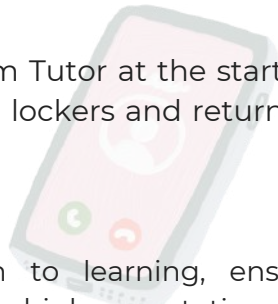

# IMPORTANT SCHOOL UPDATES

We would like to remind you of some important changes that have been introduced across the school this year. These developments are designed to support learning, improve consistency, and provide the best possible environment for all students.

## MOBILE PHONES

All students are required to hand their mobile phones to their Form Tutor at the start of each school day. Phones are securely stored throughout the day in lockers and returned to students before they leave the school site.

## BEHAVIOUR AND EXPECTATIONS

Our behaviour procedures are designed to minimise disruption to learning, ensure consistency across the school, and support all students in meeting our high expectations for behaviour and conduct. By having clear and consistent consequences, we create an environment where every student can learn, achieve and thrive. We would like to remind you that if a student receives a C2 consequence, they will be spoken to by their Head of Year outside the classroom. This will result in a breaktime detention.

## ONE WEEK TIMETABLE

The school now uses a one-week timetable. This change has provided greater consistency, making it easier for students to organise themselves and prepare for lessons.

## BREAK AND LUNCH ARRANGEMENTS

The daily timetable now includes:

- 20-minute morning break
- 40-minute lunch break

All students have their break and lunch at the same time.

To support effective movement around the school and ensure suitable spaces are available for everyone, year-group zones have been introduced for both break and lunch. These designated areas include indoor and outdoor spaces.

## SPORTS HALL

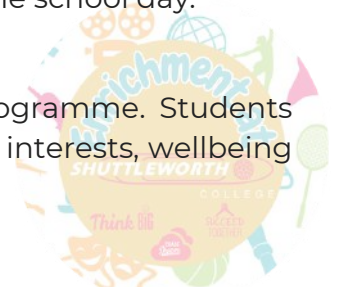

The Sports Hall is no longer to be used as a break and lunchtime space. It will return to the PE Department for lessons and curriculum activities throughout the school day.

## EXPANDED ENRICHMENT OPPORTUNITIES

We are delighted to have expanded our lunchtime enrichment programme. Students have access to a wider range of clubs and activities that support their interests, wellbeing and personal development.

## LOOKING AHEAD

We are excited about these positive developments and believe they help create a calm, purposeful and enjoyable environment for all students. Thank you for your continued support.

# NEWS & EVENTS

## ALFIE & TEAM RAISE FOR PENDLESIDE HOSPICE

On the week beginning the 5th of October 2026 our prefect team hosted a charity fundraiser which was a wear it yellow and purple week. This was to raise money for Pendleside Hospice.

Alfie Hale in year 11 organised the event and had great support from fellow prefects. Over the four days of selling ribbons and badges the prefects raised a massive £221.22 for Pendleside Hospice.

The prefect team are so grateful for all the donations and kindness of the students and teachers! Thank you to all Shuttleworth staff and students for your contributions.

## OPEN EVENING 2026

We were blown away by the interest in our Open Evening here at Shuttleworth on Thursday 24<sup>th</sup> September.

We had so many families visit us and received great positive feedback!

Speeches and further information about the evening can be found on our website: <https://shuttleworthcollege.org/welcome/open-evening-2026/>

If you have any other questions or queries in advance of making choices for September 2027, please email us on [transition@shuttleworth.lancs.sch.uk](mailto:transition@shuttleworth.lancs.sch.uk)

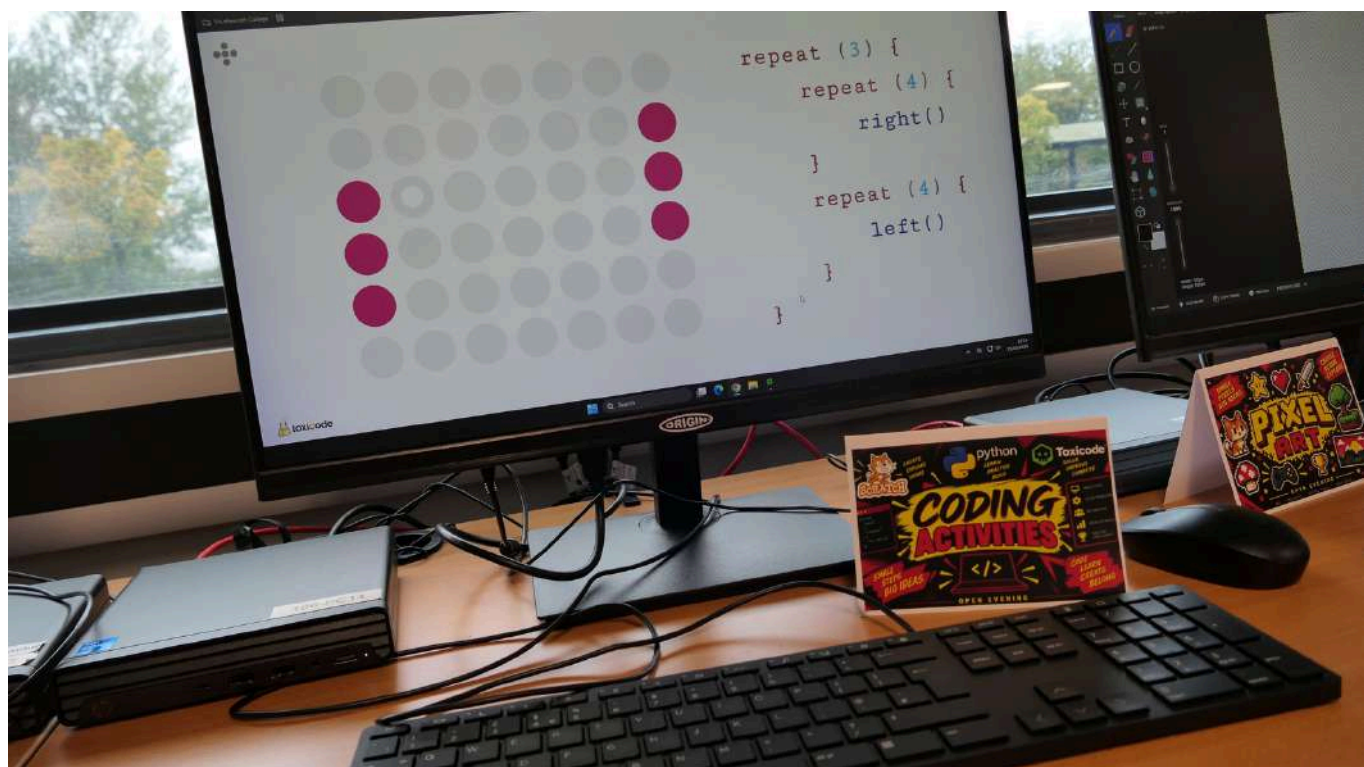

## SEXUAL HEALTH WEEK

During Sexual Health Week, as part of our PSHE curriculum, students in Years 9, 10 and 11 attended an assembly led by our local Community Sexual Health Team. The session explored a range of sexual health topics, including consent, communication, contraception, and making informed choices within healthy relationships.

## RESPECT ME - TOUR

On Thursday 8th October, year 10 had a visit from the Respect ME tour, on the topic of consent. They were discussing the concepts of love vs lust in an interactive, engaging session.

# EUROPEAN DAY OF LANGUAGES - BAKE OFF

To celebrate European Day of Languages, we hosted our second annual European Bake-off competition where we had lots of fantastic entries! There were cakes and other desserts made using traditional European recipes or decorated with flags and other spectacular European designs. Well done to all participants and, of course, our winners; the judges were very impressed!

Best tasting - Year 10

Star Baker - KS4

Lexi Buck & Evie Moore

## FUTURE ZOO 2026

Through spring and summer 2026, a group of 20 dedicated Year 10 students took part in the Future Zoo programme, funded by FutureU.

To earn their place, students had to complete an application form, explaining why they were considering careers and education pathways in animal care, veterinary science, environment, conservation or science. Students were selected from the applicants and then took part in a big programme of events.

From the launch sessions, students explored further and higher education routes, were informed about the different stages of the programme and developed ideas for their own personal project, which ran alongside a series of visits.

### University of Lancashire

Our students took part in a series of workshops within the Veterinary Medicine department at the University of Lancashire (Preston). Students had a practical workshop around triage in veterinary medicine, looking at symptomatic animals and deciding who should be prioritised for treatment. This was a brilliant session, with students using practical skills on the animal models to monitor and investigate health issues. Students also had a workshop with a Veterinary Nurse who has experience of working with large animals, such as tigers. Our students asked brilliant questions to learn more about the reality of working with different species and the global opportunities in veterinary science.

## Blackpool & the Fylde College

Our second visit was to Blackpool & the Fylde College's animal studies department. Students took part in a practical owl pellet dissection workshop, a debate about extinction and then a workshop handling reptiles. We loved Tommy the bearded dragon! This was a fantastic opportunity to show our students about technical and vocational pathways at college, use excellent facilities and meet professionals working with different types of animals.

## Blackpool Zoo

Our final visit was to Blackpool Zoo to be Zookeepers for the day! This was an incredible experience – over the course of the day, we went behind the scenes to:

- Muck out the elephant enclosure – our students got stuck in with shovels to look at elephant manure and understand how it is used by the keepers to monitor elephant health
- Made up elephant feedbags
- Met sea lions and watched their very athletic display
- Took part in a session to understand how animal parts are used in worldwide trade and its impact on animal and human populations
- Fed nectar to exotic birds
- Met and fed giraffes!

Despite the appalling, very rainy weather, our students were positive, enthusiastic participants for the full day.

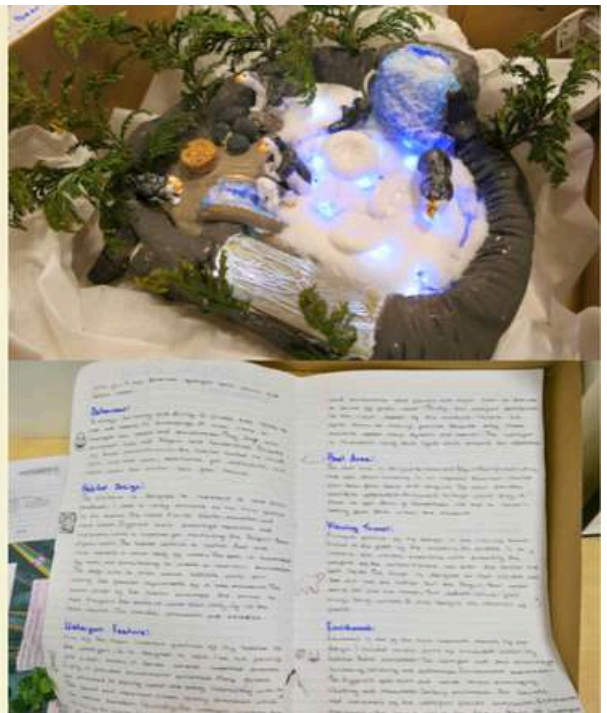

## Projects

At Blackpool Zoo, students had to hand in the projects they'd been working on for the duration of the Future Zoo programme. Students could choose the theme of their project (conservation, enrichment, habitat etc) and they all responded fantastically to the challenge set to them. 4 winners were rewarded by the Zoo on the day for their outstanding efforts: Eva for her detailed presentation, Georgia for her innovative idea, Nikola for her creative 3D poster and Grace for producing a clay version of a new habitat.

Careers Leader Mrs Ackoyd was incredibly proud of all 20 students for their commitment, positivity, engagement and behaviour throughout. She said, "this year's Future Zoo project was one of the highlights of my whole time at Shuttleworth College so far. Our students continually impressed me with their care and dedication and I can't wait to see what they go on to achieve in the next few years. Our very deep thanks go to FutureU and their partners for funding and organising such a unique experience – I didn't think I'd ever get to feed a giraffe as part of a work day!"

To end the project, in September Blackpool Zoo chose its overall winner for FutureZoo 2026 from the 60 students who took part from all over Lancashire (including one other secondary school and a range of Further Education students). Grace Allum was awarded with a day pass to the zoo for 4 people because of her amazing project. We are delighted for Grace and very proud of her achievements. Enjoy your day at the zoo!

## WORK EXPERIENCE

Our Year 10 students are now busy preparing for their Work Experience week (May 2027). Mrs Ackroyd, Careers Leader, launched the scheme to parents at the end of September and now Year 10 students are making enquiries with local companies to secure their placements.

Mrs Ackroyd said, “we are delighted to be able to offer our Year 10 students this excellent opportunity to spend a week in the world of work, learning about different companies and industries and the range of job roles needed. I am sure that all our Year 10 students will excel, representing Shuttleworth College to the best of their ability, and learning more about their own skills, qualities and aspirations.”

Medical Forms are due on Wednesday 4 November for all Year 10 students. Further information can be found on the school website here: <https://shuttleworthcollege.org/year-10-work-experience-2027/>

If your company could offer a 5-day placement to one of our Year 10 students, please contact Mrs Ackroyd on [fackroyd@shuttleworth.lancs.sch.uk](mailto:fackroyd@shuttleworth.lancs.sch.uk)

**Weds 4 November:  
Medical Form deadline**

**Tues 15 December:  
Self-placement Form deadline**

**Check your school  
email address for details**

# YOUNG CREATIVE CENTRE UNIVERSITY OF LANCASHIRE

On 14th October, Y10 and Y11 GCSE Photography students took part in an animation workshop with the team at the YCC University of Lancashire Preston. They learned about the history of animation, different techniques, how to come up with stories, made a zoetrope and then produced their own 10-second stop-motion animations using digital software. The quality of their films was amazing – there was so much creativity and perseverance on show (they needed 12 frames of animation for just 1 second of film!).

Every student was a credit to the school, demonstrating our Shuttleworth values. Well done to all the students involved.

# FIND YOUR FUTURE

For the third year, our Year 11 students took part in the Burnley Careers Fair, Find Your Future, an event run in collaboration with all the Burnley secondary schools, Burnley Council and Burnley Bondholders. This brilliant event brings together representatives from local sixth forms, colleges, training providers, universities, emergency & armed services and employers to show the young people of our borough the range of opportunity ahead of them.

Before the careers fair, students had 2 preparation sessions guided by FutureU to allow them time to prepare to speak to exhibitors, research the companies in attendance and feel more confident during the event. Mrs Ackroyd, Careers Leader, said, “our Year 11 students represented us excellently, taking part in the event and making brilliant first impressions with the almost 50 exhibitors at Turf Moor this year. This event is one of the highlights of the careers calendar because Year 11 students have dedicated time to look at a wide range of local and regional pathways and I am very pleased that they took full advantage of the opportunity.”

Jo Norwood, Senior Economic Development Officer at Burnley Council and organiser of Find Your Future said, “our third annual Find Your Future was a huge success and we were delighted that so many of Burnley’s Year 11 students were able to attend. The event shows that with greater collaboration between schools, the council and employers, we can focus on supporting our young people to chase their dreams and achieve their potential.”

## BURNLEY FC IN THE COMMUNITY: ALL SYSTEMS GO!

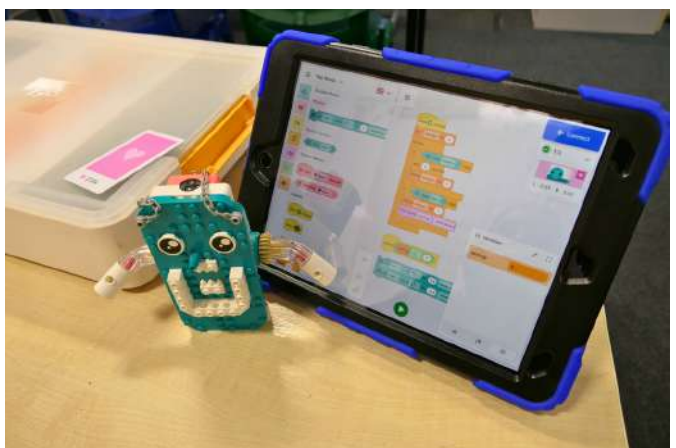

This half term, we have welcomed Caitlin from BFC in the Community to deliver the All SySTEMs Go programme to small groups of our students from Years 7-9. This brilliant scheme has been funded by the Premier League and supports young people to develop technology, digital and employability skills, while building confidence, teamwork ability and a lot of fun.

The groups have made rollercoasters out of lego, writing and using code to make the objects move! They have also learned about different technological roles and careers. Mrs Daley said, "our foundation groups have had a brilliant time working with Caitlin over the last 6 weeks. The programme has been really exciting and practical, allowing students to develop skills they'll need in the future such as communication, following a method and working as a team to succeed."

More students will be invited to take part in the programme during the next half term.

# NON-UNIFORM DAY

On Thursday 15<sup>th</sup> October we held a non-uniform day to raise money and collect donations for Downtown Community Grocery. The idea was Jack Buck's, and he wrote an excellent letter to Miss Lightfoot sharing his idea and outlining his plans. He worked really hard to produce posters and promote the day, supported by Mr Kilburn. Students have had a great day and said that they 'loved it', 'it helps our local community' and 'it's for a great cause.' We also had the added bonus of being joined by a T-rex!

# BRIGHT SPARX 2026 BONFIRE AND FIREWORKS SAFETY VIRTUAL DELIVERY SESSION

On the morning of Friday 16<sup>th</sup> October in form time, we took part in a Bright Sparx 2026 Bonfire and Fireworks Safety Virtual Delivery Session by Lancashire Fire and Rescue Service on bonfire/firework safety.

**Firework Code**

Lancashire Fire and Rescue Service

- Always supervise young children
- Light sparklers one at a time
- Keep pets indoors
- Keep them in a closed box
- Follow all instructions carefully
- Stand well back

**DO's & Don'ts**

- Never return to a lit firework
- Don't give sparklers to under 5's
- Don't set fireworks off after 11pm
- Never put them in your pocket
- Never throw them

For more information visit:  
[www.lancashirefireandrescue.org.uk/bonfires-and-fireworks.aspx](http://www.lancashirefireandrescue.org.uk/bonfires-and-fireworks.aspx)

**I THOUGHT IT WOULD BE FUNNY TO THROW FIREWORKS**

Lancashire Fire and Rescue Service

**DO's & Don'ts**

- Never return to a lit firework
- Don't give sparklers to under 5's
- Don't set fireworks off after 11pm
- Never put them in your pocket
- Never throw them

For more information visit:

**making Lancashire safer**

Polo shirt from girlfriend £60  
Sweatband, model's own £10  
Headphones from Mum & Dad £90  
Life-long scars from messing around with Roman Candle £7.99

**FIREWORKS BE SAFE NOT SORRY**  
ALWAYS FOLLOW THE CODE

**18+** IT'S AGAINST THE LAW TO POSSESS FIREWORKS IN PUBLIC IF YOU'RE UNDER 18  
Find out more at [www.direct.gov.uk/fireworks](http://www.direct.gov.uk/fireworks)

**BIS** Department for Business Innovation & Skills

# WE ARE WITH YOU

As a part of their PSHE curriculum, on the theme of health and wellbeing, this month year 11 have had a visit from We Are With You, an organisation who offer support and advice regarding mental health, drugs and alcohol abuse. Sessions were classroom based with an open conversation addressing misconceptions, fostering respectful discussion and gaining an insight into lived experience with drug and alcohol use and recovery.

Students were exemplary in sessions and really engaged with Mr T and Stuart, commenting that 'it was really interesting', 'I'd not thought about the consequences before' and 'I really enjoyed being treated like an adult in the discussion'.

<https://www.wearewithyou.org.uk/>

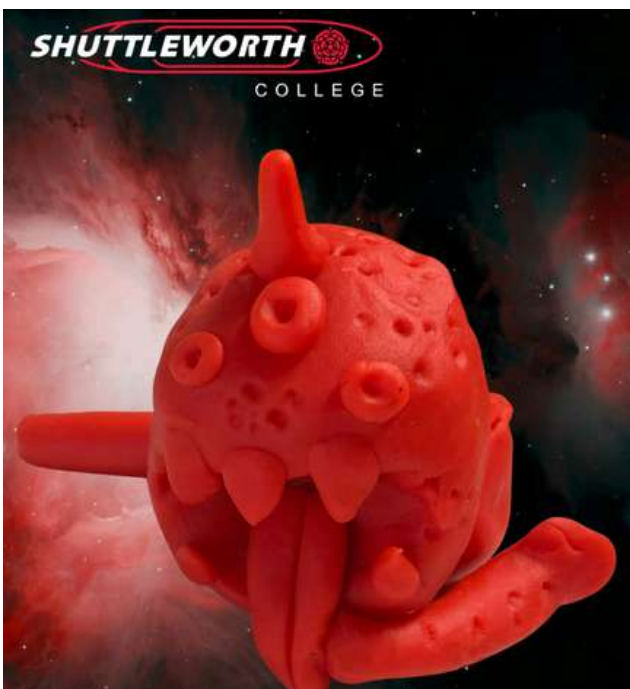

## SPACE WEEK 2026

It was fantastic to see all KS3 students engage with the InnovateHer Space Week live event this month. Our students had the chance to learn about the rocket revolution, and careers in STEM, including hearing from NASA CAPCOM Amy Dill, discovering what it's like to work as an astrobiologist, and microgravity flights in action. They then had an opportunity to explore space a little further, creating rocket designs and exploring what life in space may look like. We've hopefully opened our students' eyes to a few more opportunities across the universe!

Year 8 created some fantastic aliens!

# LANCASHIRE BOOK OF THE YEAR

Lancashire Book of the Year is a unique reading award that puts young people at the heart of the judging process. Students read the selected titles, discuss their views, write reviews and play a key role in deciding which book will be crowned the overall winner.

As part of the scheme, Shuttleworth College students visited Accrington Library to take part in the first workshop for Lancashire Book of the Year 2027. During the session, students met participants from other schools and learned more about the judging process ahead of an exciting year of reading.

The workshop focused on how to judge books more critically, encouraging students to look beyond whether they simply enjoyed a book and to consider elements such as characterisation, plot, themes, writing style and overall impact. Students confidently shared their ideas with peers from other schools and began developing the skills they will use throughout the judging process.

Students returned to school with 28 books to read before February and enjoyed an unboxing session to reveal this year's titles. On Monday, participants took part in a book tasting and were finally able to take home the books they had their eye on!

Over the coming months, our judges will read, discuss and review the books before casting their votes for their favourites. We can't wait to see which titles become the most popular and to follow the students' reading journeys.

## BONFIRE NIGHT SAFETY

On Friday 23rd October Ruth of the fire service came to school to deliver a fire safety assembly ahead of Bonfire night.

Ruth spoke to all students in year 7 about the benefits of attending organised bonfires, making sure they stay safe with fireworks and also about the dangers of hoax calls.

Ruth shared a very powerful video depicting issues the emergency services have experienced in Burnley and Padiham in recent years.

# STUDENT LEADERSHIP

## SENIOR PREFECTS 26-27

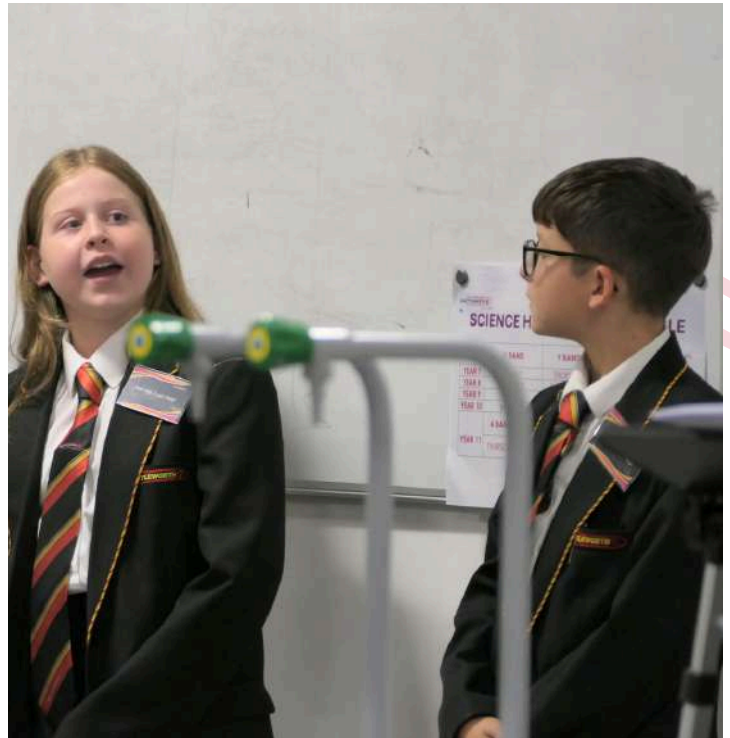

Our prefect team have started well and put lots in place to support our new students' transition to high school. They visited forms at the start of the year and continue to build these positive relationships at lunchtimes when prefects go to the Y7 zone. In a recent student council meeting Y7 students said the prefects 'work hard for us', they are 'always respectful and they make sure we do the right thing' and 7P said Ashleigh McNamara 'is always there for us'.

Over 150 student leaders supported at open evening and were a real asset to the school, with many family feedback forms shouting out prefects, Y7 ambassadors and other student helpers. Well done to Georgia Hoy, Sheree Lewis and Eva Leyland who spoke to families when Miss Lightfoot delivered her speech, and to Louie Mcneil and Scarlet Hamer who represented Y7 and spoke in front of hundreds of visitors too.

On Thursday 15<sup>th</sup> October we had a non-uniform day to raise money and generate donations to our local food bank. Well done to Jack Buck who came up with this idea and designed posters to promote it. We love our students leading on school life!

Before half term all forms will have discussed the student council agenda set by our deputy head girl, Eva Leyland. All student council reps will attend a year team meeting with Mrs Turner who will share feedback in assemblies. Having a student voice is so important and half termly student council meetings facilitate this. All students were also asked to fill in a questionnaire to share views.

# Pride

# Celebrating our Students

We are absolutely delighted to share some fantastic news about our Year 8 football team, who secured a victory in their first game with an outstanding 4-2 win against Cardinal Allen.

This was a fantastic performance from start to finish, and the result is a testament to the students' determination, teamwork, and commitment. Despite not having all of our key players available, the team rose to the challenge and delivered an excellent performance, demonstrating real character, resilience, and perseverance throughout the game.

What made this victory particularly special was the way the students fully embodied our school values. They showed determination when faced with challenges, supported one another as a team, and maintained their focus and composure throughout. Their attitude, sportsmanship, and willingness to work together were exemplary, and they should be incredibly proud of what they have achieved. This was not just a fantastic result on the scoreboard, but a brilliant demonstration of the values we strive to instil in our students.

A special mention must also go to Mr Patel, whose contribution was pivotal in the team's success. His knowledge and understanding of the sport, tactical awareness, and advanced approach to the game provided the team with excellent direction and guidance. His contribution as coach and manager, combined with the students' outstanding effort and execution on the pitch, proved to be a winning formula.

A 4-2 victory in our very first game is a tremendous achievement, and one that deserves to be celebrated. Hopefully, this is the beginning of a successful and exciting journey for our Year 8 football team, with plenty more positive results to come.

Congratulations to all the students involved, and a huge thank you to Mr Patel for his leadership and contribution. Everyone involved has done themselves and the school proud!

The Burnley Schools district cross country competition was on Monday 5<sup>th</sup> October. As a school the Y8 & 9 girls came first place but we had two outstanding individual performances with Isabella Williams and Kian Fitzpatrick winning their races. A huge well done to them.

The U13 girls started their Lancashire Cup campaign with a fantastic 6-0 victory over Blessed Trinity. Some incredible link ups and amazing passages of play - well done to everyone involved. Mia A 🏆, Tiya 🏆🏆, Mia C 🏆, Porchia 🏆

Well done to our Y11 footballers who have progressed into the 3<sup>rd</sup> round of the English Schools Cup. They defeated Ribblesdale 4 – 2 in a game that could have gone either way at one point but our quality eventually decided the game. Goals from Tobias Neave-Ryder (2) and Taylor Carter (2) made the difference. Player of the match: Brad Shaw. On to the next round we go!

Congratulations to two of our Year 11 footballers who have been selected to represent Lancashire Schoolboys U16s this season. After a lengthy trial and selection process, Zak Cunningham and Tobias Neave-Ryder (pictured) are now county level footballers. This is an outstanding achievement and the PE department (along with everybody else in school) are extremely proud of this. Best of luck for the season lads!

# STUDENT REWARDS

Congratulations to all the students who have received awards in assembly this week.

**SHUTTLEWORTH** COLLEGE

**your  
hardwork  
pays off**

Get ready for a fantastic Sparkle and Shine week of celebrating success at Shuttleworth College! 🎉 Between Monday 2<sup>nd</sup> and Friday 6<sup>th</sup> November we'll be rewarding students for great attendance, excellent behaviour, and fantastic effort in lessons. Our staff will be popping into classrooms with some brilliant rewards, including Just Eat vouchers, sweets, and front-of-queue passes! 🍷 🍬 🍔 It's a chance to recognise those students who are showing up, working hard, making great choices, and being the very best they can be. Keep sparkling, keep shining, and show us what you can achieve! ✨

**We are looking to build up a stock of spare PE kit. To support this, we kindly ask families of our Year 11 school leavers to consider donating any outgrown or unwanted Shuttleworth PE kit. We would be very grateful for donations of the following items:**

**Shuttleworth PE polo shirts**

**Shuttleworth PE shorts**

**Shuttleworth PE leggings**

**Shuttleworth PE skorts**

**If you are able to contribute, please send donations into school with your child (to be handed in at the PE office) or drop them off at main reception after your child's last PE lesson in June.**

**Thank you for your support and generosity.**

# SAFEGUARDING

## Meet the Team.....

Tracy Selves  
DSL

Patty Lewis  
Deputy DSL

Sarah Gibson  
Deputy DSL

Paul Billington  
Safeguarding Governor

We recognise our moral and statutory responsibility to safeguard and promote the welfare of students. We endeavour to provide a safe and welcoming environment where children are respected and valued. We are alert to the signs of abuse and neglect and follow our procedures to ensure that children receive effective support, protection and justice. Our aim is to provide a safe and secure environment for students, staff and visitors.

# SAFEGUARDING @ SHUTTLEWORTH

### Students:

If you are worried  
or concerned,  
speak to any  
trusted adult in  
school

### Staff:

Report any  
concerns about  
the safety or  
wellbeing of a  
child immediately  
via CPOMS

### Visitors

If you have any  
concerns about a  
child, ask main  
reception for the  
safeguarding team  
or email  
safeguarding@shuttl  
eworth.lancs.sch.uk

### FURTHER ADVICE CAN BE SOUGHT FROM:

LCC Children's Social Care: 0300 123 6720  
Emergency Duty Team (5pm – 9am) 0300 123 6722  
School's Safeguarding Officer: 01772 531196  
Local Authority Designated Officer (LADO): 01772 536694  
NSPCC Helpline for Adults: 0808 800 5000

### WHISTLEBLOWING

Any whistleblowing concerns should be reported to Kevin Hall, Chair of Governors: [khall@shuttleworth.lancs.sch.uk](mailto:khall@shuttleworth.lancs.sch.uk)

If you can't raise your concerns internally, or your concern isn't addressed, use the Lancashire County Council contact: [whistleblowingcomplaints@lancashire.gov.uk](mailto:whistleblowingcomplaints@lancashire.gov.uk), or the NSPCC whistleblowing helpline: 0800 028 0285

# What is the MyTime to Thrive service?

Barnardo's MyTime to Thrive is an Emotional Health and Wellbeing service working alongside mental health partners using the Thrive model of care for all children in Lancashire and South Cumbria.

**OFFERING** short term therapy for children and young people struggling with their mental health and wellbeing.

**SUPPORTING** ages 5-18 and up to the age of 25 for those with additional needs.

**DELIVERING** counselling and therapeutic interventions, in person, online, individually and in groups.

# OPERATION ENCOMPASS

OPERATION  
ENCOMPASS

**Operation Encompass is a national scheme that operates jointly between schools and all police forces.**

“Children who live in homes where there is domestic abuse, or who experience domestic abuse in their own teenage relationships, can be negatively impacted by this experience.”

“Children who experience domestic abuse are recognised as victims of domestic abuse in their own right!”

“We have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained about Operation Encompass procedures. This allows us to use the information that has been confidentially shared with us by the police, to understand how a child may be impacted by domestic abuse and to then offer support to the child/ren in our care.”

“Operation Encompass means that our school will be told, prior to the start of the next school day, when police have attended an incident of domestic abuse where there is a child or young person who attends our school who is related to any of those involved in the incident.”

“This information means that we can understand a child's behaviour and support that child in whatever way they may need or want.”

“We are keen to offer the very best support possible to all our pupils and we believe that being part of Operation Encompass helps us to do this.”

Domestic Abuse Act 2021

[www.operationencompass.org](http://www.operationencompass.org)

OPERATION  
ENCOMPASS

**We are an Operation  
Encompass School**

For further information, please come and see us.

**OPERATION  
ENCOMPASS**  
In every force. In every school. For every child.
