The background features a blurred image of a microscope on the left and a glowing lightbulb on the right, symbolizing scientific inquiry and ideas. The text is overlaid on this background.

Would your curiosity allow you to question the world around you? Science allows you to develop a better understanding of the world based on current scientific theories, to gain a better knowledge of how and why things function.

**Think BIG** in Science

Could you be the next **Marie Curie, Steven Hawking, Rosalind Franklin** or **Nikola Tesla**?  
Could you be the inventor of scientific innovations for future generations? Or discover new knowledge that changes the way we think about the world?

**in Science**

**CHASE**  
*Dreams*

**Could you use your scientific understanding to work together to find solutions to problems using practical skills? Studying science allows you to think analytically by making observations, predicting outcomes and forming conclusions through the scientific method.**

**in Science TOGETHER**

Considering how power has influenced the lives of people through religion, the monarchy and governments.

Think BIG in Humanities

**We aim to know and understand the world so that we can contribute to and achieve brighter futures in our own communities and those on other continents.**

**in Humanities**

**CHASE**  
*Dreams*

**Respect for all communities is imperative in studying RE, where people with different religions, experiences and belief systems can talk openly and honestly.**

**in Humanities** **SUCCEED TOGETHER**

We analyse the bigger picture in order to determine how we can best guide our own path in life.

**Think BIG in PSHE**

**We aim to break down  
barriers to our success in the  
future so that our dreams  
come true.**

**in PSHE**

**CHASE**  
*Dreams*

**We know we can fulfil our potential  
when we are happy, healthy and  
secure with people around us who  
care for us and have our best  
interests at heart.**

**SUCCEED  
TOGETHER**

**in PSHE**

The background features a vertical split design. The left side is yellow and contains a faint, stylized coat of arms with a crown and a shield. The right side is white and contains a faint lightbulb icon. The text is overlaid on this background.

**94% of people in the world don't speak English as their native language. 75% do not speak English at all. Learning foreign languages not only opens up your career and travel opportunities in the future, but it also improves your academic performance in all subjects!**

**Think BIG in MFL**

The crest of Shuttleworth College is located on the left side of the slide. It features a shield with a red lion, a blue cross, and a red banner with the word 'SHUTTLEWORTH' written on it. The crest is surrounded by decorative elements like a crown and a scroll.

**At Shuttleworth College, it is our mission to turn our students into citizens of the world who can achieve their full potential in a globalised economy. We aim to foster confidence, resilience and a curiosity about the world beyond their local area.**

**in MFL**

The logo for 'CHASE Dreams' is located in the bottom right corner. It consists of the word 'CHASE' in red, uppercase, sans-serif font, and the word 'Dreams' in red, lowercase, cursive font, both contained within a white cloud shape.

**CHASE  
*Dreams***

**At Shuttleworth, students in year 7 are given the choice to learn either French or Spanish. Students study their chosen language with their form group throughout Key Stage 3. We also offer a student enrichment language club and school trips to Paris, Barcelona and Madrid!**

**SUCCEED  
TOGETHER in MFL**

**Our Physical Education curriculum is broad and offers all students an opportunities to try something new. Current sports and activities on offer in Year 7 are: football, netball, table tennis, health-related fitness, dance, rugby union, rounders, outdoor and adventurous activities (OAA), athletics and cricket.**

**Think BIG**

**in PE**

**You will be encouraged to persevere and strive to be the best you can be in Physical Education lessons.**

**Are you the next professional sportsperson from Shuttleworth College?**

**in PE**

**CHASE**  
*Dreams*

**No matter what your ability is in Physical Education, there are so many ways to develop your personal skills by working in small groups and larger teams. Working well with your peers is crucial to your development as a young person and PE is the perfect place to be for this!**

**SUCCEED  
TOGETHER in PE**

Steve Jobs once said “The people who are crazy enough to think they can change the world are the ones that do.”

In the Creative Technologies we want you to **stretch yourself...**

**You** are the world famous artists, designers, chefs, nutritionists and engineers **of the future!**

Embrace the huge variety of techniques and processes you are introduced to and push yourself to **create and innovate!**

# Think BIG

in Creative  
Technology

In **CREATE** Club you can develop skills and work with others on projects you won't cover in lessons.

In **ECO** Club you can work with others to improve the sustainability of our school and community.

Our **Creative Leaders** attend training sessions and help to deliver workshops in our own school and with in our local community!

We will be further developing links with **local businesses** and **technological companies** in the next academic year to provide more real world opportunities to see design & technology in action.

In Creative Technologies we want to help you develop all the **skills** and **knowledge** you need to **chase your dreams** through many different experiences...

**CHASE**  
*Dreams*

**in Creative Technology**

James Dyson once said...

'Enjoy failure and learn from it... you can never learn from success.'

In the Creative Technologies, we aim for everyone to succeed; be it by embracing our mistakes and applying what we discover to improve our outcomes, or working as a team to inspire and support one another.

Every day, our team and your peers are here to help you succeed in everything you do!

# SUPPORTING EAL STUDENTS

At Shuttleworth College we recognise the great potential of our EAL students and we aim to ensure this is realised beyond school. Teachers are trained to maximise learning time in lessons to ensure success in the future.

# **SUPPORTING STAFF AT COLLEGE**

**Teaching Assistants at Shuttleworth College  
dedicate their time to the development of the  
whole child.**

**Our Teaching Assistants help to break down  
barriers, leading to happy, successful learners who  
are valued members of the school community.**

- Meeting the Gatsby Benchmarks
- Understanding the range of future opportunities
- Understanding the range of options for further study and training
- Knowing about local employment opportunities
- Developing skills and knowledge
- Fostering confidence in lifelong learning and development
- Personal Guidance

# ATTENDANCE

## Good attendance at means...

...being in school at least 95% of the time (180 - 190 days)

**DID YOU KNOW?** A two week holiday in term time means that the highest attendance you can achieve is 94.7%

## ATTENDANCE LEGAL PROCEDURES

Parents of a registered pupil whose child fails to attend school regularly are committing an offence under section 444(1) Education Act 1996.

### Stage 1

A pupil has had 5 school days (10 sessions AM or PM) lost to unauthorised absence during the current term or 7 school days (14 sessions AM or PM) in 2 consecutive terms.

School warning notice sent to parents/guardians with parental responsibility

### Stage 2

Parents are to attend an attendance meeting and attendance contact is signed. Attendance is monitored for 3 weeks. The pupils should have 100% attendance over the next 3 weeks.

There are further unauthorised absences during the 3 week monitoring period

### Stage 3

A fixed penalty notice of £120 per parent, per pupil will be issued.

The pupils attendance continues to not improve and falls below 63%

### Stage 4

A PDR (Prosecution determination report) will be issued that will result in a court summons with regards to the pupils poor attendance.

## Good time keeping at means...

...being in school on time, every day, ready to learn.

**DID YOU KNOW?** If you are 15 minutes late each day you will have missed two full weeks of school in one year?

## College Culture - The 4 Ws

**WE**  
work hard and  
are productive

- Students pay deliberate attention.
- 100% effort all of the time.
- Never cause a distraction to others.
- Sit up straight.
- No equipment in hands when listening.

resilience

**WE**  
are respectful

- Use a respectful tone.
- Listen to staff and peers.
- Treat the building and equipment with care.

resilience

**WE**  
follow directions  
the first time

- Directions taken first time from all adults.
- Adhere to the routines of the school.
- No time is wasted.

resilience

**WE**  
are safe  
Community

- We keep our hands & feet to ourselves.
- We make others feel safe.

# BEHAVIOUR

## Learning Culture - The 4 Ws

**WE**

expect our students to pay deliberate attention to the teacher so that we can all learn and be productive.

**WE**

expect our students to focus and work in silence, when directed to; it allows everyone to concentrate and focus on the learning.

**WE**

expect our students not to have equipment in their hands when the teacher is talking as it causes an unnecessary distraction to themselves and others.

**WE**

expect our students to sit up straight in their chair so they can face the teacher in a respectful manner and complete work.

# Our Consequence System

## Chance

YOU have not met the expectations of the 4Ws and now you will be given a chance to make the right choice.

## Change

YOU must change your behaviour to meet the college expectations. 30 minute detention.

## Consequence

YOUR repeated choices have resulted in you having to face a consequence. Removal from lesson and 1 hour detention.

# B E H A V I O U R

## At Shuttleworth College we are rewarded for embodying our values

We have high expectations to reach our full potential.

I can show this school value by trying my hardest in all my lessons.

We are well-disciplined and respectful to our school community.

I can show this school value by showing respect to all around me.

We achieve our future purpose when we unite.

I can show this school value by considering others.

We overcome challenges together.

I can show this school value by working well as part of team and not giving up!

We give our best every day and never stop aiming high.

I can show this school value by always aiming high.

# STUDENT VOICE

YOUR VOICE MATTERS

HAVE YOUR SAY!

WE CONSIDER &  
GIVE FEEDBACK TO YOU

WE ANALYSE  
WHAT YOU  
HAVE TO SAY

# SEND STUDENTS

**Supporting Students at Shuttleworth**

**At Shuttleworth we work with students and their families to overcome barriers they could be facing to learning. This happens in and out of the classroom through quality in class support, medical support and a broad range of Special Educational Needs and Wellbeing based needs interventions.**

**Ask staff in the library if you have any questions.**
