

10 September 2026

Dear Parent/ Carer,

School photographs for students in year 7 will be taking place on Friday 2nd and Monday 5th October. Photos are being taken by Tiny Pixels School Photography and all children in year 7 will have their individual photo taken. You will be able to purchase school photos, therefore if you have more than one child in school and would also like a sibling group photograph, please confirm this via [this link](#) by 22nd September.

Individual student photographs will be held on student's internal school record for identification, medical and safeguarding purposes. Your child will bring home a slip with a code on which will allow you to view the photographs on-line and purchase directly from Tiny Pixels School Photography if you wish to. These will be delivered to school and will come home with your child.

Yours Sincerely

Ruth Hodges
