

27<sup>th</sup> March 2024

Dear Parent/Carer,

Shuttleworth College is passionate about developing literacy skills across the curriculum and aims to support all students in their efforts to continue to improve and develop their reading skills.

We are making some changes to the tutor groups in the summer term to allow form tutors to support the delivery of both reading intervention and reading activities that stretch and challenge more able readers.

Students will be informed during form time on Thursday which form room to go to when they return after the Easter break where they will be issued with updated timetables.

Please contact us if you have any questions.

Kind Regards,

Mrs S Sagar  
Deputy Headteacher

Mrs L Harrison  
Deputy Headteacher
