ACTING HEADTEACHER MESSAGE

Dear Families,

I hope this message finds you well as we come to the end of a busy and rewarding half-term. It has been a period filled with meaningful events and wonderful achievements across our school community.

We began with a moving Remembrance Act, where students and staff came together to reflect and pay tribute.

More recently, we have held a Community Cohesion Day, which included inspiring sessions with the Sophie Lancaster Foundation, promoting understanding and respect as well as celebrating our differences.

Our Winter Showcase was a true celebration of talent, featuring drama, music, and a variety of performances that highlighted the creativity and dedication of our students and staff. Alongside this, Future U has been working with different year groups to support aspirations and future planning.

We were delighted to launch our new Student Reception, led by our fantastic Year 8 ambassadors, who have already made a positive impact; this will continue in the new year with a new pair each day.

Finally, auditions for this year's school production, Matilda, have taken place, with call-backs continuing this week—an exciting project we can't wait to share with you in the new year!

As we approach the festive break, I encourage everyone to enjoy time with family and friends, rest, and recharge. School will resume as normal on Monday, 5th January at 8:30am and we look forward to seeing all of our students back then.

Thank you for your continued support, and we look forward to another successful term ahead.

K. Lightfoot

Merry Christmas

NEWS & EVENTS

REMEMBRANCE DAY

On Remembrance Day our school came together for a moving Remembrance Service. The Head Boy and Head Girl read poems reflecting on sacrifice and peace, and Mr Thompson played the Last Post. Students across the school observed the silence impeccably as we honoured those who gave their lives in service.

BURNLEY YOUTH THEATRE

Huge thanks to Burnley Youth Theatre who came to school and delivered five drama workshops to KS3 students as part of a community cohesion project. The sessions were highly engaging and students learned a lot!

MEGA HUB EVENT AT BURNLEY COLLEGE

A group of Year 7 students attended a MEGA Hub event at Burnley College on Thursday 20th November.

The event was a fast-paced, action-packed day where students take on exciting tech challenges! In teams, students navigated through high-energy zones, developing their skills in Robotics, Cybersecurity, and AI. Through a combination of hands-on and digital challenges, they unlocked future tech skills while boosting their problem-solving, creativity, and teamwork in a fun and competitive environment. The Year 7s also achieved first place out of the other schools that attended the event – well done Year 7s!

WINTER SHOWCASE

On Wednesday 3 December we hosted our school's annual winter showcase! From poetry, to acting, to singing - we had it all!

All the students worked really hard to perfect their roles in this showcase, and it really paid off. Thank you to all who came to watch, all the staff who helped out and our head boy and girl for presenting the night. We hope to see you at our next showcase. Have a lovely Christmas!

SEALIFE CENTRE TRIP

10E visited the Sealife Centre, Manchester, as part of their Underwater Art coursework.

Students saw and drew lots of underwater creatures and enjoyed getting close to some shrimp and starfish.

This class are a fantastic and energetic group of artists and are making some truly creative clay and 3D art responses to their trip. Well done 10E!

THE SOPHIE LANCASTER FOUNDATION

On Tuesday 9th December we were visited by Steph from the Sophie Lancaster Foundation as part of our Community Cohesion PSHE work. Students behaved impeccably as she shared Sophie's story and asked interesting and mature questions. Here is some of their feedback.

Future U is a collaborative project bringing together universities, colleges, schools and businesses from across Lancashire. For more information please visit <https://lancashirefutureu.org.uk/>

Future U are running sessions for all Shuttleworth students over the course of this academic year and have already delivered interview preparation sessions to Year 11. This week they have been in school delivering sessions on areas of work to Y8 & Y9. Y8 looked at advanced manufacturing and Y9 looked at social care. Today Y10 are completing an introduction to university session.

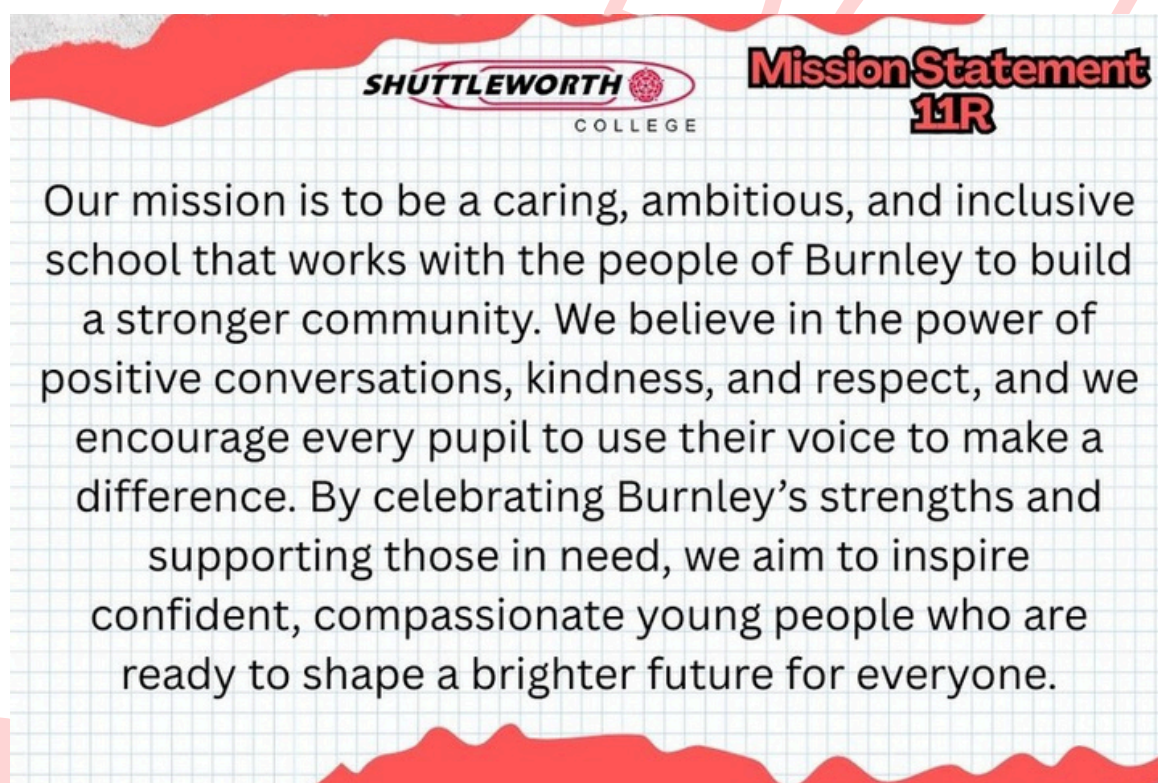

Thank you, Future U!

PSHE - COMMUNITY COHESION AND PROTECTED CHARACTERISTICS

As a part of our PSHE curriculum, last week we had a whole school drop down focusing on Community Cohesion and Protected Characteristics. All year groups spent a lesson exploring what an inclusive culture is and how to play a positive role in society.

In doing this, KS4 forms were invited to create mission statements to express how our school community aims to make a positive impact on the people and groups around us.

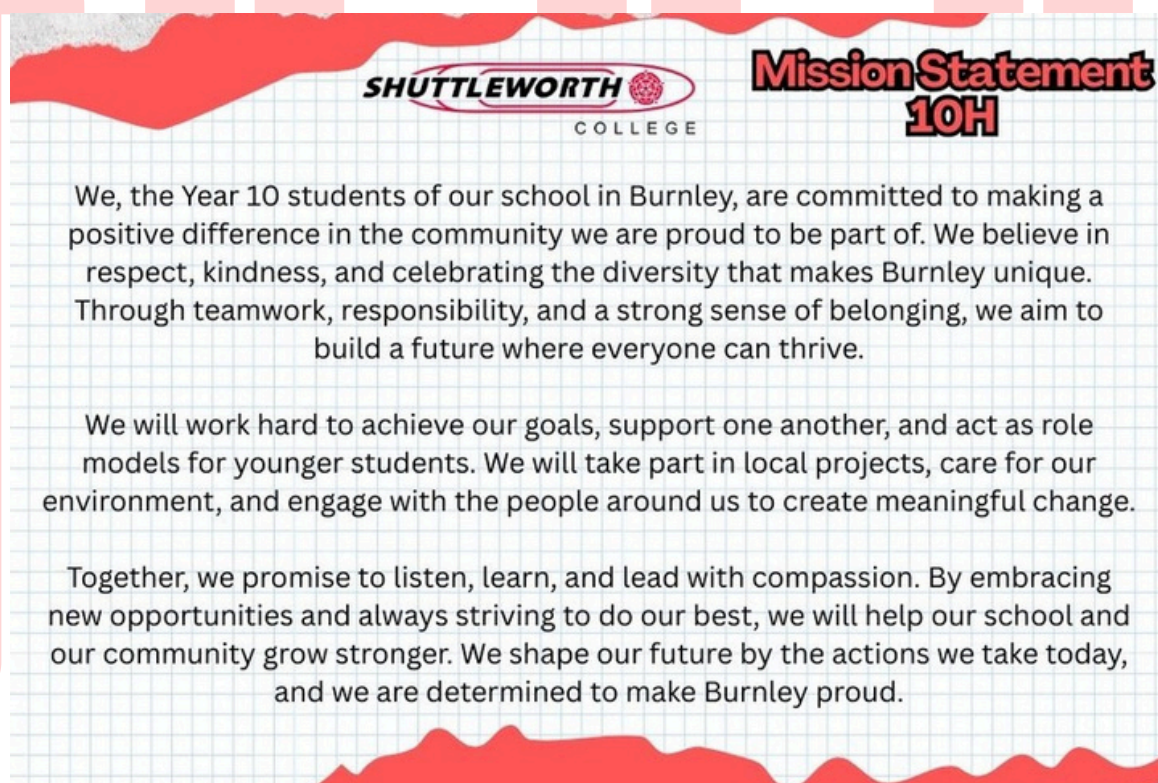

The poster features a red wavy border at the top and bottom. The Shuttleworth College logo is in the top left, and the title 'Mission Statement 11R' is in the top right. The main text is centered on a light blue grid background.

SHUTTLEWORTH COLLEGE

Mission Statement 11R

Our mission is to be a caring, ambitious, and inclusive school that works with the people of Burnley to build a stronger community. We believe in the power of positive conversations, kindness, and respect, and we encourage every pupil to use their voice to make a difference. By celebrating Burnley's strengths and supporting those in need, we aim to inspire confident, compassionate young people who are ready to shape a brighter future for everyone.

The poster features a red wavy border at the top and bottom. The Shuttleworth College logo is in the top left, and the title 'Mission Statement 10H' is in the top right. The main text is centered on a light blue grid background.

SHUTTLEWORTH COLLEGE

Mission Statement 10H

We, the Year 10 students of our school in Burnley, are committed to making a positive difference in the community we are proud to be part of. We believe in respect, kindness, and celebrating the diversity that makes Burnley unique. Through teamwork, responsibility, and a strong sense of belonging, we aim to build a future where everyone can thrive.

We will work hard to achieve our goals, support one another, and act as role models for younger students. We will take part in local projects, care for our environment, and engage with the people around us to create meaningful change.

Together, we promise to listen, learn, and lead with compassion. By embracing new opportunities and always striving to do our best, we will help our school and our community grow stronger. We shape our future by the actions we take today, and we are determined to make Burnley proud.

FACULTY FOCUS

ENGLISH & CREATIVE COMMUNICATIONS

Engaging English

At Shuttleworth College we absolutely love English — and all the wonderful books that come with it! Students are studying a fantastic range of topics this half term, and we're especially excited to use our Read First curriculum.

Our Year 7s have been diving into myths and legends; discovering epic characters while developing their understanding of word classes, sentence types, and creative writing.

Year 8 are exploring anthropomorphism and have been gripped by the brilliant fable Animal Farm.

Year 9 have stepped back in time to learn about Elizabethan attitudes, exploring Romeo and Juliet and fiercely debating their ideas with typical Year 9 passion!

Moving on to KS4, our Year 10s have been travelling through the world of A Christmas Carol and have now begun their journey into poetry. Meanwhile, Year 11s have been working hard on Language Paper 2, recently completing their mock exams, and are now revisiting An Inspector Calls as they continue their revision. We wish our Year 11s the very best of luck, and we can't wait to see what engaging English adventures await us next half term.

Engaging lessons brings a new story to explore,
Never give up! Our teachers help us grow in confidence.
Great grammar, making sure our literacy skills are on point.
Lively debates but we listen to everyone.
Imaginations running wild sparked by characters and creativity,
Strong similes and techniques strengthening with every paragraph written,
Helping each other in our classroom community. We are proud to be Shuttleworth.
how about you?
By 9C3 English

Exciting Enrichment

Onto our exciting enrichment, here at Shuttleworth College there is something for everyone to explore and Miss Wilcock has been busy ensuring that we have a diverse range of opportunities.

Join Mrs Moorhouse's and Miss Walsh's Creative Writing Club, a lovely, welcoming group where students can express themselves, explore new writing styles, and let their creative flair shine. It's a space full of imagination and friendship — and we absolutely love the laughter and energy it brings to the library each week.

Next we invite you to step into the cosy world of Mrs Berry's Book Club, where students curl up with a good story and a cup of hot chocolate in hand. It's a friendly, relaxed space to read together, share ideas, and discover new books with others who love getting lost in a great story.

Book Club Bulletin

Over the past half-term, we have been reading *The Inheritance Games* by Jennifer Lynn Barnes. We felt that this was a great example of a modern young adult novel, and overall, we really enjoyed reading it together (especially with a hot chocolate and cookie in hand!). We'd also categorise this as a good gateway into the mystery genre and would recommend it to anyone looking for a quick read or someone who likes to put the pieces of a puzzle together as they go. On a more critical note, we do wish that the characters were more developed and that we had more opportunities to get to know them as individuals.

We're now moving on to read *Scythe* by Neal Shusterman. After just the first chapter, we are hooked and already have a whole list of both questions and theories.

Big News

Matilda

OUR NEXT SCHOOL MUSICAL IS... MATILDA!

After the huge success of last year's fantastic production of *Sister Act*, we're thrilled to announce that we are officially beginning the planning process for our next school musical... *Matilda*!

Get ready for mischief, magic, and a whole lot of "revolting children" energy as we step into Roald Dahl's world of bravery, brilliance, and big ideas. Over the coming weeks, we'll be assembling our creative team, setting audition dates, and getting ready to bring this iconic show to life.

Whether you're a seasoned performer, a backstage hero, a budding musician, or someone who simply loves being part of something exciting, *Matilda* is the perfect opportunity to get involved. Keep an eye on upcoming newsletters and announcements for how you can join in.

This is going to be a show filled with imagination, teamwork, and unforgettable moments — and we can't wait to get started! Watch this space... *Matilda* is coming!

Drama in Action!

Year 10 Take on Macbeth

Our Year 10 students had an amazing trip to the Bolton Octagon to see Macbeth! This live theatre experience wasn't just exciting—it was a fantastic way to link learning across subjects and sharpen their skills in analysing and evaluating professional performances.

Vampires in the Spotlight

Back in the drama studio, Year 10 are stepping into the eerie world of Jack Thorne's *Let the Right One In*. This dark vampire love story is perfect for the chilly winter months and gives students the chance to explore intense characters and atmospheric storytelling.

An Unexpected Visitor

The English Department is delighted (and slightly terrified) to announce the arrival of a very mischievous elf, who has come to spread festive cheer... and a fair amount of chaos. This little troublemaker is joining the English team, but we couldn't resist sharing the news, just in case you spot teachers suddenly blaming missing pens, upside-down displays, or mysteriously glitter-covered desks on "the elf."

Rest assured, he's keeping spirits high and morale merry — even if he is causing more excitement than a snow day rumour. Keep your eyes peeled... you never know where he'll strike next!

STUDENT LEADERSHIP

In November we launched the Y8 student reception role which Y8 ambassadors complete on a rota.

Holly Burton and Isabella Williams were the first students working on student reception as part of their student leadership role. This means they will help with tasks/errands and act as role models across school. This is as well as completing curriculum work between tasks. Well done for their commitment to school!

Thank you to Nathan and Riley-Joe for decorating our Christmas tree.

Celebrating OUR Students

Jaxon Whitbread - 10W

Since the start of this school year Jaxon has given up his own time every week to help with the football training sessions we have for Year 7. He has been phenomenal in helping to train the goalkeepers and we proudly recognise Jaxon for his outstanding dedication and selflessness. Giving up his own time, he has gone above and beyond to help train the year 7 football team, attending countless training sessions and even matches with unwavering commitment.

His leadership, teamwork, and positive attitude have made a positive impact on players. Jaxon has demonstrated what it means to be an all-round exemplary student. Mr Ahmed and Mr Patel celebrate his remarkable contribution and the inspiration he brings to our Y7 football team.

STUDENT REWARDS

Congratulations to all the students who have received awards in assembly this week.

OPERATION ENCOMPASS

OPERATION
ENCOMPASS

Operation Encompass is a national scheme that operates jointly between schools and all police forces.

“Children who live in homes where there is domestic abuse, or who experience domestic abuse in their own teenage relationships, can be negatively impacted by this experience.”

“Children who experience domestic abuse are recognised as victims of domestic abuse in their own right¹.”

“We have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained about Operation Encompass procedures. This allows us to use the information that has been confidentially shared with us by the police, to understand how a child may be impacted by domestic abuse and to then offer support to the child/ren in our care.”

“Operation Encompass means that our school will be told, prior to the start of the next school day, when police have attended an incident of domestic abuse where there is a child or young person who attends our school who is related to any of those involved in the incident.”

“This information means that we can understand a child's behaviour and support that child in whatever way they may need or want.”

“We are keen to offer the very best support possible to all our pupils and we believe that being part of Operation Encompass helps us to do this.”
