## ACTING HEADTEACHER MESSAGE

Dear Families,

As we come to the end of a busy and rewarding term, I wanted to begin by expressing my heartfelt thanks for the many kind messages I've received following the announcement that I have been appointed as the permanent Headteacher. Having served this school community for two decades, it is an absolute honour to take on the role, and I am truly excited for what lies ahead. Your support has meant so much to me, and it reinforces what a special place this is for our young people to learn and grow.

This term has been packed with enriching opportunities and wonderful achievements. Our National Reading Champions Quiz team represented the school brilliantly, showcasing their impressive literary knowledge. Year 7 pupils enjoyed an insightful visit to the Ripon Museums, and we were delighted to take students to the Bridgewater Hall to experience the Hallé Orchestra in concert—a memorable cultural highlight. Our Year 11s also benefited from seeing Macbeth performed live, deepening their understanding of the text as they head towards their exams.

Back in school, there has been a real buzz of activity. FutureU sessions have continued to inspire our students about their next steps, and Mr Mahmood's Set for Success initiative once again demonstrated the generosity of our school community, raising funds for Padiham Food Bank. This term's Faculty Focus shines a spotlight on Creative Technologies, where students have produced some truly outstanding work.

We were also thrilled to host our Spring Showcase, a fantastic evening celebrating the many talents of our students—from music and drama to art and design. Their confidence, creativity, and dedication were a joy to witness. On the sporting front, our Year 7 and 8 athletes performed brilliantly in recent competitions, showing great determination and team spirit.

As we head into the break, I hope everyone enjoys a well-deserved rest and, hopefully, a continuation of some brighter weather. Thank you once again for your ongoing support.

*K. Lightfoot*

# IMPORTANT INFORMATION

## A REMINDER ABOUT ROAD SAFETY

To help keep all our students safe at the start and end of the school day, we politely ask parents and carers to follow road safety regulations when collecting children.

Please avoid parking on yellow lines or across residents' driveways on the main road. Your cooperation makes a significant difference to the safety and respect of our local community.

## VISITING SCHOOL

We kindly remind parents and carers that visits to school should only be made **by appointment**. Staff are often teaching, supervising students or engaged in meetings, and it is not always possible for someone to meet with you unexpectedly. To ensure you receive the support and time you need, please contact school in advance to arrange an appointment.

# NEWS & EVENTS

## NATIONAL READING CHAMPIONS QUIZ – NORTH WEST HEAT

Miss Walsh and Mr Pennington had the pleasure of taking eight students to Ss John Fisher and Thomas More Roman Catholic High School in Colne for the North West heat of the National Reading Champions Quiz. This annual event brings together enthusiastic readers from Years 7, 8 and 9 to celebrate their love of books through a challenging team competition.

Working in teams of four, our students tackled 75 demanding book-themed questions across eight rounds. Although we didn't win this time, the teams demonstrated brilliant teamwork, communication, and resilience!

Alongside the excitement of the quiz, everyone enjoyed plenty of tea, juice and biscuits, and the students represented the school impeccably from start to finish. We are incredibly proud of their efforts and their brilliant attitude.

We're already looking forward to returning next year!

## RIPON MUSEUMS IN NORTH YORKSHIRE

At the start of this half-term, a group of Y7 pupils visited Ripon Museums in North Yorkshire. We spent the first part of the day learning about life in 19<sup>th</sup> century workhouses, with pupils taking part in a realistic role-play to understand the process of being allowed into the workhouse. We were also taught about the miserable conditions that those in poverty had to live in, such as suffering through terrible lice infestations!

We then made our way to the Prison & Police museum and found out about the fascinating story of the Sinkler brothers- notorious local poachers who often had violent encounters with local gamekeepers.

Pupils particularly enjoyed spending time inside some real 19<sup>th</sup> century prison cells!

Finally, we visited the Courthouse museum. Pupils learnt about the roles of people in a 19<sup>th</sup> century courtroom, such as the jury and witnesses. We then ended our exciting visit with pupils acting out a trial based on true events!

## HALLÉ ORCHESTRA BRIDGEWATER HALL

Every year, the music department takes a group of students from across all years to see the world-famous Hallé orchestra perform at The Bridgewater Hall. In early March, we took a group of students to watch their concert, 'International Women's Day'.

The students received an interactive performance, lasting around an hour, and really enjoyed themselves.

## FUTURE U VISITS

This month, FutureU have once again been in school working with our students to expand their knowledge of local employment opportunities.

Year 10 students focussed on an Introduction to Advanced Technical Education, looking at the higher levels of training and development open to them in the future. This session complemented the Introduction to University session students experienced in December.

Our Year 8 sessions displayed the Energy & Low Carbon industry, which is a growth industry for Lancashire at the moment. They considered different types of renewable energy and then built a Hydrocar!

Our Year 7 students learnt about careers in Healthcare, another industry projected to grow in the Lancashire area. Students had to work together as a team to complete tasks and they definitely enjoyed the competition!

We work very closely with FutureU, Lancashire's organisation for Widening Participation in Higher Education. Thank you to Andy, Nikki and Katie for spending so much time with us and showing our students how much opportunity is available to them in the future.

## BFC TRIP

10 students from Y10 had a great day working on team building, sports skills and enjoying an access-all-areas tour of Turf Moor. They visited the Leisure Box in the morning and completed a highly competitive football skills session before heading to the Turf where they went on a tour, having the opportunity to talk about aspirations and skills. They spent time in all areas of the Turf including in the changing rooms, press room and they got to walk down the tunnel.

The boys were exemplary representatives for Shuttleworth with Burnley FC staff describing them as “the best students we’ve worked with,” and they “represented school brilliantly.”

## DIGITAL ADVANTAGE TRIP

Since January, a group of Year 10 students have taken part in Digital Advantage, a specialist training programme supporting young people to develop digital and employability skills. In school, they took part in 5 days of workshops with trainer Rubbi Bhogal-Wood from Wild & Form Digital. Rubbi worked with our students to create a digital news agency; students learnt photography and videography, website development, interview skills and story development.

At the end of the workshop days, all of the students presented their work to a room full of staff and answered all of their questions! We are so proud of all they achieved.

The second part of the project was a visit to the University of Lancashire's Young Creative Centre in Preston. Led by Dr Jo Brown, the group took part in a Digital Illustration workshop, working to a design brief to draw and develop book covers. Our students had a fantastic time in the workshop and were really enthusiastic about their challenge.

After lunch, students had a tour of the Victoria Building arts centre, looking at printing, animation, illustration and photography workshops. We were all inspired by the amazing standard of work produced by the university students. We then looked at some of the other facilities around the campus, including the Mock Court and the Student Centre.

Mrs Lockley, who has worked closely with the group throughout the project said, *"I am so proud of the Digital Advantage group. From the start of the project to our university visit, they have worked hard, developed new skills and learnt how to work well as part of a team. They will be able to use their new skills and confidence to help them into Year 11 and beyond as they start to think about the career routes they might want to take."*

In June, the group will attend a prestigious celebration event at County Hall in Preston.

Thank you to FutureU for funding this brilliant project.

## MACBETH TRIP BOLTON OCTAGON THEATRE

Year 11 students recently visited the Bolton Octagon Theatre to watch a striking modern production of Macbeth as part of their preparation for the Live Theatre evaluation in their GCSE Drama written exam.

The production presented Shakespeare's tragedy in a modern, war-torn setting, using an industrial-style set, military-inspired costumes and eerie lighting to create a dark and tense atmosphere. The intense and physical staging helped bring the story to life, while the unsettling portrayal of the witches added to the sense of danger and foreboding throughout the performance.

Students were particularly able to observe how the actor playing Macbeth captured the character's journey from confident soldier to a man increasingly consumed by ambition and guilt. The powerful performances and dramatic staging created a compelling and thought-provoking piece of theatre.

Following the visit, students will compile 500 words of notes about the production to support them in their GCSE exam this May, helping them recall and analyse key aspects of the acting, design and staging they experienced.

# SET FOR SUCCESS

Congratulations to a group of year 9 students who were chosen to take part in a programme called Set for Success.

They actively planned and arranged a tuck shop to sell chocolates and snacks for all year groups at break time. They raised a brilliant £173.00 which will be donated to Padiham foodbank.

Well done to all the students involved.

IN PARTNERSHIP

# SET FOR SUCCESS

## EDUCAKE

Back at the start of January, Nic from Educake, our main homework platform, came to school to deliver assemblies to students across Years 7-10.

A 10-week competition was launched, in which students were tasked to complete 10 self-set questions a week to earn themselves a spot in the prize draw.

Students could earn up to 10 places in the final prize draw through consistent performances on Educake, showing their commitment to homework and independent learning. We want students to appreciate the importance of self-study before they reach their final exams in Year 11, as well as appreciate the importance and benefits of doing revision little and often. The ultimate prize was a laptop with accessories, providing an appealing reward for those that got involved.

This week we were able to celebrate with all of the students who participated in the competition. As a school, we completed over 17,000 self study questions during the 10-week period (in the same period last year, just 1,000 were completed). Students involved were invited to an assembly, where we announced the final winners from the competition. Some students also enjoyed a question and answer session with chocolate treats.

### 1st Prize

**Chromebook Plus  
& Accessories**

### 2nd Prize

**Samsung Galaxy  
Tablet**

### 3rd Prize

**JBL Wireless  
Bluetooth Headphones**

Miss Bates, Assistant Headteacher, said, "I am really proud of how many students engaged with the competition, and I really hope they benefitted in their classwork from completing regular, small amounts of independent learning. This self discipline and responsibility will not only help them in their assessments and final exams, but it is an important life skill which they can take beyond Shuttleworth. It was a lovely morning celebrating with so many students, and a huge thanks to Nic and Rachel for travelling up to visit school, along with their generous donations of some amazing prizes. Well done everyone!"

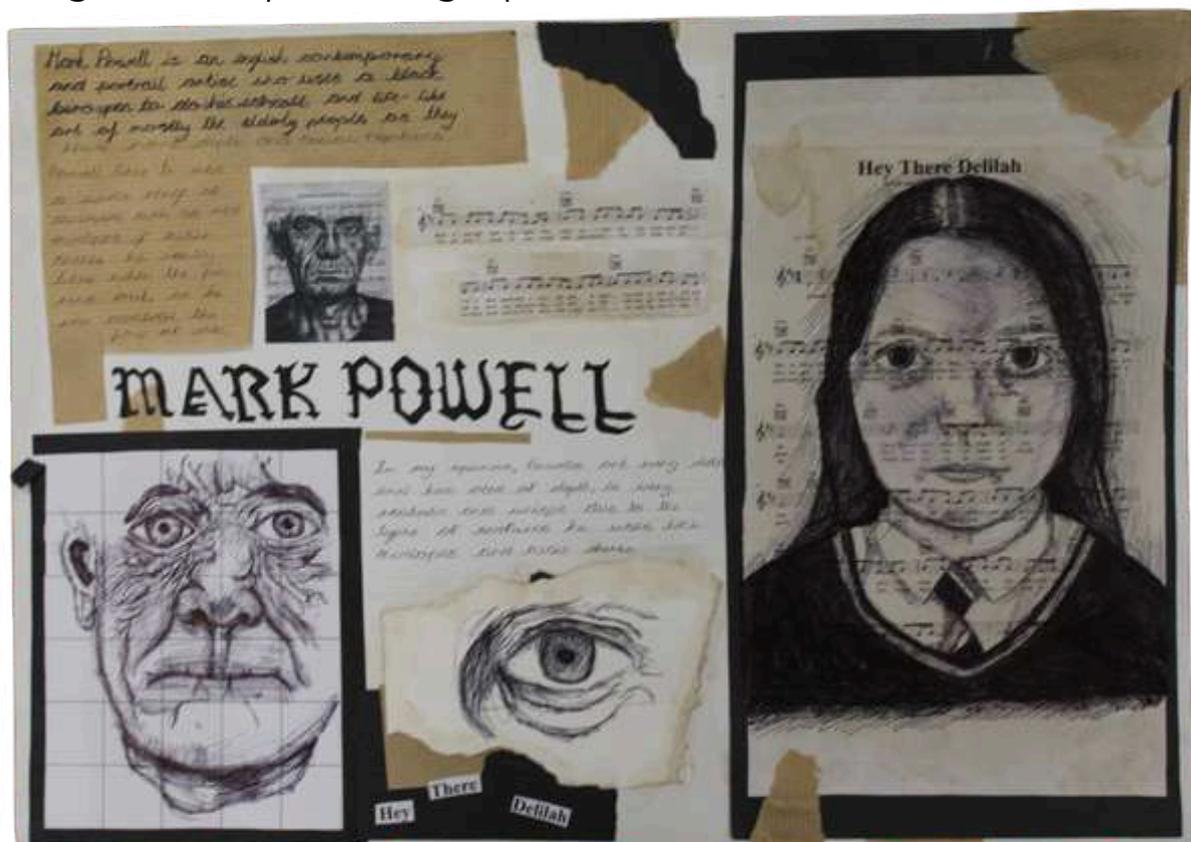

# FACULTY FOCUS

# TECHNOLOGIES CREATIVES

## KS4 Art

GCSE Art students have made a wonderful start to the Portrait project. They have looked at artist Mark Powell and Francise Nielly and are working towards producing a personal outcome.

## KS3 Art

Year 7s have developed new skills throughout Art and Technology; refining their drawing skills in our Drawing For Purpose project, designing their own Mini Monsters and learning about Eco-Art from around the world.

Year 8s have learnt how food can influence the world of art! They have practised using different media to create artwork inspired by famous artists such as Tom Hovey who is the mind behind the artwork in the Great British Bakeoff!

Year 9s have let their imagination run wild in creating their own Hybrid Creatures and placing them in a Surreal Background inspired by Salvador Dali.

## Year 10 3D Design

Year 10 3D Art have just completed a laser cutting project on the art of Martin Tomskey.

Tomskey's work blends folklore, the macabre and magic and Year 10 have enjoyed creating their own, slightly spooky, Tomskey influenced designs.

# Hospitality & Catering

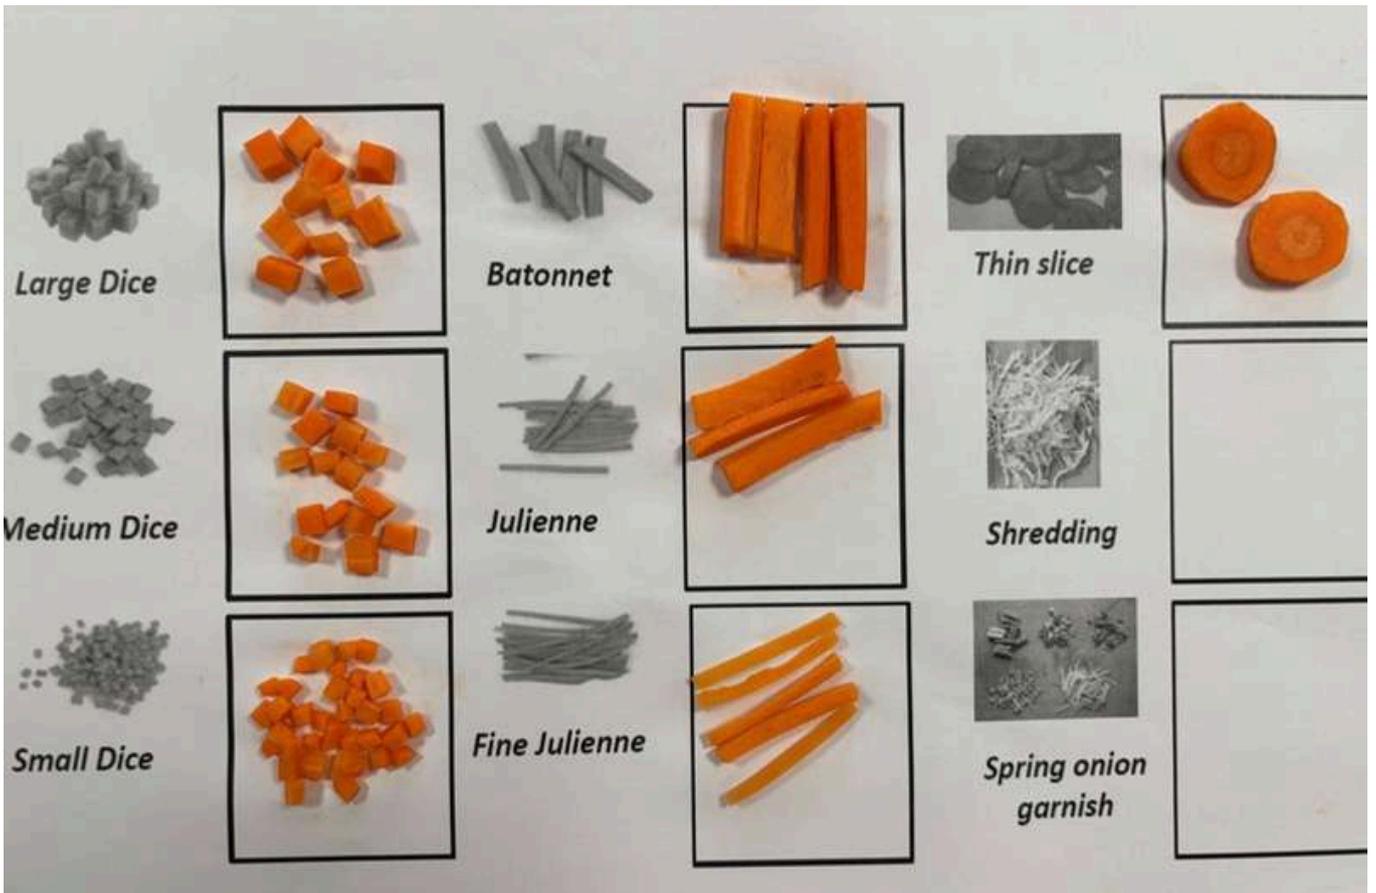

Hospitality and Catering is an extremely broad industry and one of the most prolific employers in the UK. There is a wide and diverse range of careers available within the industry, with a broad range of routes by which those careers can be obtained. Learners interested in pursuing a career in the hospitality and catering industry will have a broad choice from which to tailor a career that suits their skills and interests.

## TOPICS COVERED:

- Industry Knowledge: Types of establishments, front of house, and kitchen operations.
- Safety & Hygiene: Food safety legislation, personal hygiene, and risk control.
- Nutrition & Menu Planning: Dietary needs, cooking methods, and menu design.
- Practical Skills: Food preparation, cooking techniques, and presentation.

This year's intake of year 10s has been some of the best we've had so far for their attitude to learning. Our lessons are 'jam' packed full of new learning, skills and complex techniques. This half term within practical lessons we've made our own pasta, profiteroles with piped cream, melt-in-the-middle cheeseburgers and homemade lemon cheesecakes. Meanwhile, within lessons we have covered a wide range of new learning such as food related illnesses, BOH, FOH, job roles, commercial / non-commercial and much more.

# Celebrating OUR Students

Congratulations to the year 7 and 8 athletes that competed in the recent Burnley Sports Hall Athletics competition. The year 7 boys and girls both came 3<sup>rd</sup> place - all the students who competed did so with the maximum of effort. Their attitude was exemplary and they represented the school in a very positive light. In the year 8 competition, the boys narrowly missed out on a medal coming 4<sup>th</sup> place, the girls secured a silver medal coming 2<sup>nd</sup> with a fantastic team performance.

# STUDENT REWARDS

Congratulations to all the students who have received awards in assembly this week.

## FLOAT TO LIVE:

- 

1 Tilt your head back with ears submerged
- 

2 Relax and try to breathe normally
- 

3 Lie on your back with your arms and legs spread out
- 

4 Move your arms to help you stay afloat
- 

5 When you are calm, call for help or swim to safety

## WHAT SHOULD I DO IF I SEE SOMEONE IN DIFFICULTY?

### CALL

Call 999 and ask for the right service.

If you are inland, ask for Fire and Rescue Service.

If you are at the coast, ask for the Coastguard.

### TELL

Tell them to float on their back and try to keep calm.

### THROW

Throw them something that floats.

## ENJOY THE WATER SAFELY THIS SUMMER

Relove the Preloved

**DONATE UNIFORMS HERE**

We're looking for clean wearable school uniforms, anything from jumpers, shirts and blazers to P.E. kits, ties, shoes and trainers. Primary and Secondary welcome.

As well as here, uniforms can also be donated at Down Town or see our social pages for where other bins are located

# OPERATION ENCOMPASS

OPERATION  
ENCOMPASS

## Operation Encompass is a national scheme that operates jointly between schools and all police forces.

“ Children who live in homes where there is domestic abuse, or who experience domestic abuse in their own teenage relationships, can be negatively impacted by this experience. ”

“ Children who experience domestic abuse are recognised as victims of domestic abuse in their own right! ”

“ We have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained about Operation Encompass procedures. This allows us to use the information that has been confidentially shared with us by the police, to understand how a child may be impacted by domestic abuse and to then offer support to the child/ren in our care. ”

“ Operation Encompass means that our school will be told, prior to the start of the next school day, when police have attended an incident of domestic abuse where there is a child or young person who attends our school who is related to any of those involved in the incident. ”

“ This information means that we can understand a child's behaviour and support that child in whatever way they may need or want. ”

“ We are keen to offer the very best support possible to all our pupils and we believe that being part of Operation Encompass helps us to do this. ”
