

Year 10C Band Revision List (Non Calc)

Factors  
Tally Charts & Bar Charts  
Probability of an event  
Addition & subtraction problems  
Converting between fractions, decimals and percentages  
Working with coordinates  
Working with recipes  
Substitution  
Finding the input and output on function machines  
Working with negative numbers  
Multiplying integers  
Adding fractions  
Multiplying fractions  
Probability tables  
Value for money problems  
Solving equations with brackets  
Volume of a cuboid  
Problems with perimeter  
Subtracting mixed number fractions

Year 10C Band Revision List (Calc)

Money calculations & problems  
Multiplying algebraic terms  
Identifying multiples  
Percentages of an amount  
Using a calculator  
Probability scale  
Writing and simplifying ratio  
Reasoning with sequences  
Ordering fractions, decimals and percentages  
Time calculations  
Sharing ratio problems  
Expanding and simplifying  
Product of prime factors  
Frequency trees  
Inequalities on a number line  
Multiplying indices  
Estimating using probability  
Plotting quadratic graphs  
Compound interest
