Dear Parents/Carers,

As we move closer to the GCSE examination period, we want to ensure that all Year 11 students feel well-prepared, confident, and supported. To assist with this, the school will be offering a programme of **Spring Holiday Revision Sessions**. These sessions are designed to strengthen subject knowledge, revisit key topics, and help students address any areas where they may feel less confident. **Attendance is strongly encouraged**, as regular, guided revision can make a significant difference to overall performance.

At the same time, we recognise the importance of maintaining a healthy balance. The Spring break is also a valuable opportunity for students to rest, recharge, and look after their wellbeing. Ensuring they have some time away from study will help them return refreshed and ready to make the most of the final weeks before their exams.

We encourage students to attend the sessions relevant to their subjects while also taking time to relax and spend quality time with family and friends. A detailed timetable of the revision sessions is shared below.

Upon arrival, students must **sign in at Reception with their subject teacher** and **sign out** when they leave. Please note that *students will not be permitted to leave the school site and return later*, so they should bring drinks and a snack with them for the morning.

To maintain the safety and smooth running of the sessions, the school gates will close **promptly at 9:30am and 11:00am**. Any student arriving late may not be allowed onto the site.

We appreciate your support in ensuring your child attends the relevant sessions and continues revising effectively over the break. This period of focused preparation will make a significant difference as they move into the final stages before their GCSEs.

Yours sincerely,
