**Year 11 Parents' Evening – Thursday 10th December 4.00pm–7.00pm**

Dear Parents and Carers,

We are pleased to invite you to our in-person Year 11 Parents' Evening that will take place on **Thursday 10th December between 4-7pm.**

**An especially important part of the evening will be the collection of Year 11 mock examination results.** Students will receive their mock results upon arrival at school on the evening. We know how eagerly these results have been anticipated, and we would strongly encourage parents and carers to attend alongside their child to support them as they receive and reflect on their results. This is a significant milestone in their Year 11 journey and an important opportunity to celebrate successes, identify areas for improvement and discuss how best to support them in the months ahead.

The evening will also provide an important opportunity to meet with your child's class teachers to discuss their progress, current attainment and next steps as they continue their preparations for their GCSE examinations.

Appointments with all class teachers will be available to book from **9.00am on Monday 23rd November** via our School Cloud platform, which we have used successfully in previous years. Please visit the school app to book your appointments by selecting the 'parents evening' widget or visit https://shuttleworthcollege.schoolcloud.co.uk A short guide on how to add appointments is available on our website, and can be found here: https://www.shuttleworthcollege.org/wp-content/uploads/parents-guide-school-cloud-scaled.jpg

We are particularly excited to welcome parents and carers back into school for this event. In addition to the opportunity to speak with teaching staff, we have invited a range of external agencies to attend the evening to offer advice, support and guidance should you have any concerns or queries. These include:

- Mental Health Support Team (MHST)
- Positive Action in the Community
- Lancashire Women
- We Are With You & SmokeFree
- Child and Family Wellbeing Service

Our local colleges are also hoping to attend to provide further information and support regarding post-16 pathways and opportunities.

We look forward to welcoming you into school and working together to ensure that every Year 11 student is fully supported in achieving their potential. Should you have any questions, please contact your child's Head of Year, Miss Southern, or myself.

Thank you, as always, for your continued support.

Yours sincerely,

Abigail Bates
Assistant Headteacher
