

20 May 2024

Dear Parent/carer

The GCSE examination series has now begun and our countdown calendar has been shared identifying both the schedule for exams and subject specific revision sessions leading up to them.

I am writing separately to highlight the revision sessions that are being offered during half term for all students.

There will be 2 sessions running per day from Tuesday-Saturday. Sessions will run from 9-12noon and 12.30-3.30pm unless otherwise specified. The schedule is below:

May Half Term: Monday 27 th May – Saturday 1 st June		
Date/ day	9.00-12noon (unless otherwise specified)	12.30-3.30pm
Mon 27 th May	BANK HOLIDAY	
Tues 28 th May	Geography Hospitality and catering PE	Spanish PE
Wed 29 th May	Biology Maths	
Thurs 30 th May	Physics Maths	
Fri 31 st May	History	History
Saturday 1 st June	Maths 9.30am-12	

You will receive a text message reminder the day before each session.

Drinks and snacks will be provided by your child's teacher; however, we are unable to provide lunch. If your child is due to attend for a full day, we ask that your child brings lunch with them as there will not be the capacity to buy lunch in school.

Our website has a wealth of resources about how you can help to support your child, including establishing positive routines, limiting screen time and handling the pressures of external exams. These resources can be found at <https://shuttleworthcollege.org/information/examinations/>.

As always, please do not hesitate to contact us if you have any questions or concerns.

Yours sincerely

Caroline Price
Assessment and vocational lead
