Netball Learning Journey: Year 7

Step 6: Assessment

Teacher assessment of all core skills needed to be successful in a game of netball

The 7 playing positions in netball (goal shooter, goal attack, wing attack, centre, wing defence, goal defence, goal keeper).

Moving into space to gain possession of the ball.

Step 4: Shooting

The correct technique of shooting to score a goal using the basic shooting technique

Step 2: Attacking

Sprinting & feint dodge to get away from a defender to gain possession of the ball.

Defending the player, to stop the opposition gaining possession of the ball

Step 3b: Stage 2 defending

Defending the ball, to stop the opposition gaining possession of the ball

The footwork rule: when you receive the ball the landing foot can't be moved, other than to pivot on the spot, whilst the other can be moved in any direction.

The 4 passes: chest, bounce, shoulder, overhead
