# **Table Tennis Learning Journey: Year 7**

### Step 6: Assessment of skills

Teacher assessment of the skills (visited on this journey) needed to be successful in a game of table tennis singles.

## Step 5: Match play (intro)

Singles games (push only to start) to explore competitive table tennis. Scoring and rules a focus too.

## Step 2: Forehand push (intro)

Introduction of the forehand push shot in both an isolated and competitive manner. Rallying focus.

### Step 3: Push shot combinations

Use of both the backhand and forehand push (dependent on the return) to maintain rallies.

Introduction to the forehand serve. Focus on rules of serving and maintain rallies following service.

Introduction of the backhand push shot in both an isolated and competitive manner. Rallying focus.

#### Step 1a: Introduction

Equipment set-up, grip and ready position visited before the notion of rallying is used to explore the basic rules of table tennis.
