# **Netball Learning Journey: Year 8**

### Step 6: Assessment

Teacher assessment of all core skills needed to be successful in a game of netball.

## Step 5: Shooting

The correct technique of shooting to score a goal. Decision making on when to shoot or when to pass out and reposition. Shooter to shooter play.

## Step 4: Stage 3 defending

Defending the space, to stop the opposition gaining possession of the ball.

### Step 2a: Attacking

Development of sprint & feint dodge and correctly selecting which dodge to use to gain possession of the ball.

## Step 2b: Timing of passes (attacking)

Passing into space and in front of the player to enable attacking play

## Step 3: Stage 1& 2 defending (develop)

Defending the player and ball, to stop the opposition gaining possession of the ball. Decision making regarding the best form of defence in each situation and why.

#### Step 1b: Footwork (develop)

Developing the use of the footwork rule. Pivoting, 2 footed landings.

## Step 1a: Passing (develop)

Develop the 4 passes to show accuracy, distance and power. Improve knowledge of when to use each pass.
