

Learning Journey:  
Year 8: Polymers  
& Programming

Knowledge  
Design brief  
& CAD CAM 

Knowledge  
CAD & CAM in  
manufacturing 

Skill  
CAD: Drawing panels  
using Serif Draw 

Knowledge  
Application of  
knowledge

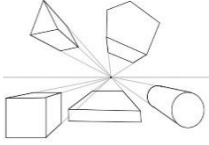

Skill  
CAD: Applying  
surface design  
using Serif  
Draw

Knowledge  
Polymers: origins, types,  
properties and uses 

Knowledge  
Programming  
theory

Skill  
Assembly 

Skill  
Crumble: software  
and programming 

Skill  
Technical drawing:  
one and two point  
perspective 

Knowledge  
Assessment
