## Football Learning Journey: Year 9

Demonstration of skills in game situations (7 v 7; 11 v 11) to outwit opponents. Application of tactics and leadership roles to be introduced within teams.

Crossing and corner kicks with strategies developed from an offensive and defensive perspective. Introduction to goalkeeping as part of this.

Outwitting markers with turns, fakes and dummies. Attempt to demonstrate creativity with movement going forwards.

Perform a variety of shooting techniques on goal (e.g. low drive, volley, chip). Attempt to use weaker foot.

Controlling the ball with different body parts; advance on opponents with a combination of turns (to create space) and dribbling.

## Step 1: Passing (game situations)

Selecting when different passes should be used in games to outwit opponents (over and through defensive lines) and apply tactics (switch of play).
