Netball Learning Journey: Year 9

Step 6: Assessment

Teacher assessment of all core skills needed to be successful in a game of netball

Step 5: Shooting

Advanced shooting skills stepping in / to the side / backwards dependent on the defenders position. Shooting from distance and how the technique changes

Step 4:Holding Space

Creating an area behind you for a pass by holding your space behind a defender to gain possession of the ball

Step 2: Spacing on court

The order in which the ball should travel down the court (GK-GD-WD-C-WA-GA-GS) and knowledge of other players who should be available

Introduction to rolling around a defender to create space

Step 3b: Intercepting

Positional awareness of defending, and the timing of runs to enable successful interception of the ball along with defending a space.

Step 1b: Advanced footwork

Introduction of fast/running footwork.

Step 1a: Passing

Selecting when to use each pass to be successful. The introduction of one handed bounce passes and catching the ball with one hand. Develop tactical awareness in passing (reset to the centre third)
