

Year 11 Exam Countdown Calendar 2024

This calendar details all exams and revision sessions leading up to, and during, the exam window: **Friday 3rd May – Wednesday 26th June.**

- There will be a practice session on Wednesday 1st May at 9am which will include a maths mini-mock.
- For morning exams, **revision sessions will take place 8.00-8.45am** with breakfast provided in the room.
- Morning exams start at 9.00am with revision beforehand, starting at 8am. You must be in the **atrium and silent by 8.50am.**
- Afternoon exams start at 1.30pm with **revision beforehand at 11.30am** (start of lesson 3 after break/period '7') and last an hour and a half before an earlier lunch at 1pm. You must be in the atrium, ready for your afternoon exam **and silent by 1.20pm.**
- **If you are not involved in a revision session or exam, you will follow your usual timetable, including 2pm lunchtime.**
- Where possible, revision sessions will take place during the last lesson at 2.30pm for an exam the day after, rather than your timetabled lesson.
- There may also be some revision sessions offered after school – if you study more than one of these and they are on at the same time, you should prioritise the subject that has its exam first.
- Please note there are **'contingency' sessions** which you must be available for in case an exam needs to change date. Please do not book anything on these days – this is not within our control and will be dictated by the exam boards, if required.
- Ensure you have **revision guides/resources to use independently** in lessons where you have already finished the course and there is no alternative revision session.
- You must attend school every day until **Friday 14th June**, 8.30am-3.45pm as a minimum (you are able to start earlier/finish later to attend revision sessions) – after this date, you only need to attend if there is a revision session or exam for a subject you are studying.
- **Leavers' assembly will be on Thursday 20th June** – details will be sent out.
- We will send a message about collecting your results over the summer – **results' day is Thursday 22nd August.**
